PART 1 – About TIIS

1.1 Welcome to TIIS

Welcome to The Institute of International Studies (TIIS).

On behalf of TIIS, I am pleased to welcome you to our academic community.

TIIS is a registered Australian higher education provider (TEQSA Provider No. PRV14085; CRICOS Provider Code 03705J), committed to providing quality education and supporting students in achieving their academic, professional and personal goals.

Our programs in accounting, business, information technology and related disciplines are designed to develop contemporary knowledge, practical skills and professional capabilities relevant to an evolving global workforce.

At TIIS, we recognise that higher education is more than obtaining a qualification. It is an opportunity to develop critical thinking, problem-solving abilities, professional confidence and the capacity for lifelong learning.

Our academic staff bring professional knowledge, industry experience and a commitment to teaching and learning. Together with our administrative and student support teams, they aim to provide a supportive, inclusive and engaging learning environment.

We encourage you to take an active role in your education, participate in academic and student activities, seek assistance when needed and make full use of the learning resources and support services available to you.

Whether you are commencing higher education or advancing your existing qualifications, we hope your experience at TIIS will be intellectually rewarding, personally fulfilling and valuable to your future career.

We wish you every success in your studies and look forward to supporting you throughout your learning journey.

Sincerely,

Anand Karuppiah

Chief Executive Officer

The Institute of International Studies (TIIS)

1.2 About TIIS

The Institute of International Studies (TIIS) is an Australian higher education provider registered with the Tertiary Education Quality and Standards Agency (TEQSA) (Provider No. PRV14085; CRICOS Provider Code 03705J).

TIIS is committed to delivering quality, professionally oriented higher education that prepares students for employment, career advancement and lifelong learning.

Our academic programs are designed to develop the knowledge, practical skills, critical thinking and professional capabilities required in a changing global economy. TIIS seeks to maintain the relevance of its courses through industry engagement, academic review and continuous improvement.

Our Vision

To provide quality, accessible and professionally relevant higher education that prepares graduates with the knowledge, skills and capabilities to succeed For Today and For Tomorrow.

Our Mission

TIIS's mission is to develop knowledgeable, capable and professionally prepared graduates through quality higher education, industry engagement and a supportive learning environment.

To achieve this mission, TIIS is committed to excellence and continuous improvement in:

- Learning and Teaching: Delivering academically rigorous, engaging and professionally relevant education.
- Student Success and Support: Providing an inclusive and supportive learning environment that promotes student wellbeing, progression, achievement and employability.
- Staff Development: Supporting the professional development, teaching capabilities and scholarly activities of academic and professional staff.
- Industry Engagement: Maintaining meaningful connections with industry and professional bodies to support curriculum relevance and graduate outcomes.
- Institutional Governance and Management: Promoting ethical conduct, accountability, effective administration and continuous quality improvement.

Our Core Values

TIIS is guided by four institutional core values:

1. Transformative Learning

We promote meaningful learning experiences that develop students' knowledge, professional capabilities, critical thinking and capacity for lifelong learning.

2. Integrity and Ethics

We uphold honesty, fairness, academic integrity, professional responsibility and ethical conduct in our teaching, learning, governance and institutional activities.

3. International Perspective

We value cultural diversity, inclusion and international engagement, preparing students to contribute effectively in multicultural workplaces and a globally connected society.

4. Student Success

We place students at the centre of our educational activities and are committed to supporting their academic achievement, personal development, wellbeing and future career opportunities.

1.3 Registration and Accreditation

The Institute of International Studies (TIIS) is an Australian higher education provider registered with the Tertiary Education Quality and Standards Agency (TEQSA) and the Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS).

Registration Details

- Registered Provider: The Institute of International Studies (TIIS) Pty Ltd
- TEQSA Registration Number: PRV14085
- CRICOS Provider Code: 03705J

TEQSA regulates Australian higher education providers against the *Higher Education Standards Framework (Threshold Standards) 2021*. CRICOS registration authorises TIIS to deliver registered courses to international students on student visas, subject to regulatory requirements.

TIIS is committed to academic quality, student achievement and compliance with Australian higher education and international education legislation.

Students can verify TIIS's registration and courses through:

- TEQSA: https://www.teqsa.gov.au/
- CRICOS: https://cricos.education.gov.au/

Students may contact TIIS regarding admissions, enrolment, academic matters, tuition fees and student support.

Official Communications

TIIS communicates important information through student email, the Learning Management System (LMS) and its website. Students must regularly check official communications and keep their contact details up to date.

Campus Facilities and Learning Resources

TIIS provides teaching facilities, learning resources and student support services at its Sydney and Melbourne campuses to support students' academic success and wellbeing.

Sydney Campus – Ultimo

Located at 13–15 Smail Street, Ultimo, the Sydney Campus is situated close to Sydney's central business district, public transport and local amenities.

The campus provides students with access to:

- Classrooms equipped for face-to-face teaching and learning.
- Computer, internet and digital learning resources.
- Library and online academic resources.
- Study spaces and student amenities.
- Academic consultation and student support services.

- Learning Management System (LMS) and online learning materials.

Melbourne Campus – Docklands

Located at Level 1, 112 Newquay Promenade, Docklands, the Melbourne Campus provides a learning environment with access to public transport, commercial facilities and local services.

The campus provides students with access to:

- Teaching rooms and learning facilities.
- Computer, internet and digital learning resources.
- Library and online academic resources.
- Student study spaces and amenities.
- Academic consultation and student support services.
- Learning Management System (LMS) and online learning materials.

Access to Facilities and Support

Students at both campuses can access TIIS's academic and student support services, including learning assistance, academic consultation, wellbeing support and digital learning resources.

Facilities and services may vary between campuses. Students should contact their campus Student Services team for information about available facilities, access arrangements and support services.

1.5 About This Student Handbook

The TIIS Student Handbook provides essential information to help students understand their studies, rights, responsibilities and the services available at the Institute of International Studies (TIIS).

The Handbook is designed for both domestic and international students and includes information about:

- Admission, enrolment, tuition fees and refunds.
- Academic requirements, assessment and course progression.
- Student support services, facilities and wellbeing.
- Student rights, responsibilities and expected conduct.
- Complaints, grievances and appeals.
- Living and studying in Australia, including international student obligations.
- Relevant legislation, regulations and TIIS policies and procedures.

Student Responsibilities

Students are expected to read and familiarise themselves with the Handbook, comply with applicable TIIS policies and procedures, and regularly check official communications for important updates.

Handbook Review, Oversight and Updates

The Student Handbook is subject to annual Academic Board oversight to ensure its accuracy, relevance and alignment with TIIS academic standards, student support arrangements and regulatory obligations.

TIIS will also review and update the Handbook whenever significant changes occur in legislation, regulatory requirements, institutional policies, academic arrangements or student services.

The Academic Board will monitor the Handbook's academic content and student-related provisions, with relevant operational and compliance matters reviewed by responsible TIIS officers. Significant amendments will be communicated to students through appropriate institutional channels.

Policy and Regulatory Requirements

The Handbook provides general guidance and should be read alongside students' written agreements, course information and current approved TIIS policies and procedures.

Where information differs, applicable legislation and regulatory requirements prevail, and the relevant approved policy or agreement governs to the extent permitted by law.

Access and Assistance

The current Student Handbook and relevant policies are available through the TIIS website at https://www.tiis.edu.au/.

Students requiring clarification or assistance should contact TIIS Student Services at info@tiis.edu.au or their relevant campus.

PART 2 – ADMISSION AND ENROLMENT

2.1 TIIS Courses and Programs

Overview

The Institute of International Studies (TIIS) offers undergraduate and postgraduate higher education qualifications in business, accounting, information technology, cyber security and financial planning.

TIIS courses combine academic knowledge with practical, industry-relevant learning to develop critical thinking, problem-solving and professional capabilities. Depending on the qualification, courses include specialisations, applied assessments and capstone projects.

TIIS currently offers **eight CRICOS-registered courses**, together with the Graduate Diploma of Financial Planning, which is not included in its current CRICOS-registered course portfolio.

1. CRICOS-Registered Courses and Tuition Fees

The following table summarises TIIS's eight CRICOS-registered courses, including course codes, registered durations and published full tuition fees for 2026.

Course	CRICOS Code	Duration	Full Tuition Fee (AUD)
Bachelor of Business (BBus)	107616A	156 weeks	$52,800
Bachelor of Information Technology (BIT)	113724B	156 weeks	$60,300

Master of Business Administration (MBA)	107617M	104 weeks	$40,000

Master of Cyber Security (MCS)	115211M	104 weeks	$47,200
Master of Professional Accounting (Advanced) (MPAA)	102564D	104 weeks	$40,000

Note: Fees are published full course tuition fees for 2026, before scholarships or discounts. Additional fees may apply. Course availability and delivery arrangements are subject to current registration and approvals.

2. Business Programs

Campuses: Sydney and Melbourne

Course	Specialisations or Study Pathways
Bachelor of Business (BBus)	Management; Marketing; Accounting; General Business
Graduate Certificate in Business Administration (GCBA)	Business administration; pathway to MBA studies
Master of Business Administration (MBA)	Accounting; Marketing and Entrepreneurship; Cyber Security; General MBA

The Bachelor of Business develops foundational knowledge and practical skills in management, accounting, marketing, economics and business decision-making. Students may pursue approved specialisation pathways aligned with their interests.

The Graduate Certificate in Business Administration provides postgraduate business knowledge and may offer a pathway into the MBA, subject to admission and credit requirements.

The Master of Business Administration develops advanced leadership, management and strategic decision-making capabilities through core subjects, applied learning, a capstone project and specialisation options.

3. Accounting Programs

Campus: Sydney only

Course	Study Focus
Graduate Certificate in Professional Accounting (GCPA)	Foundational accounting knowledge and business analysis
Master of Professional Accounting (Advanced) (MPAA)	Financial reporting, auditing, taxation, accounting and strategic decision-making

The Graduate Certificate in Professional Accounting develops postgraduate accounting knowledge and analytical skills relevant to business and financial practice.

The Master of Professional Accounting (Advanced) is an AQF Level 9 qualification comprising 16 compulsory units over approximately two years of full-time study. It develops advanced technical,

analytical and professional competencies in accounting, taxation, auditing and financial management.

Professional recognition and membership remain subject to the requirements of relevant professional bodies.

4. Information Technology and Cyber Security Programs

Campuses: Sydney and Melbourne

Course	Specialisations or Study Focus
Bachelor of Information Technology (BIT)	Cyber Security; Web and Mobile Applications Development
Graduate Certificate in Information Technology (GCIT)	Foundational postgraduate information technology
Master of Cyber Security (MCS)	Cyber security governance, risk management, network security, digital forensics and incident response

The Bachelor of Information Technology develops practical skills in software development, networking, databases, cloud computing and cyber security. Students undertake core subjects, an approved specialisation and applied capstone learning.

The Graduate Certificate in Information Technology provides postgraduate study in contemporary information technology concepts and applied problem-solving.

The Master of Cyber Security develops advanced capabilities in information security, cyber security technologies, governance, risk management and incident response.

5. Financial Planning Program

Delivery mode: Hybrid, subject to approved arrangements.

Course	Duration
Graduate Diploma of Financial Planning (GDFP)	35 weeks full-time or part-time equivalent

The Graduate Diploma of Financial Planning develops advanced knowledge in taxation, superannuation, investments, insurance, risk management, estate planning and professional ethics.

The course comprises eight compulsory subjects, including a financial planning capstone project.

The qualification supports professional development in financial planning. Eligibility to practise as a financial adviser remains subject to applicable legislation and professional standards.

6. Academic Quality and Course Delivery

TIIS maintains academic quality through established governance, course monitoring and continuous improvement processes, overseen by the Academic Board and relevant committees.

Key quality assurance measures include:

- Regular review of course content, learning outcomes and assessments.
- Industry-relevant teaching and practical learning activities.
- Academic support and student progression monitoring.
- Academic integrity, assessment moderation and benchmarking.
- Quality assurance of online, blended and transnational delivery.
- Periodic course reviews and continuous improvement.

Changes to course structures, delivery modes or locations require appropriate institutional and regulatory approvals.

7. Further Information

For current course details, admission requirements, tuition fees and delivery arrangements, please refer to the official TIIS website.

TEQSA Provider Registration: PRV14085
CRICOS Provider Code: 03705J
Website: www.tiis.edu.au
CRICOS Register: https://cricos.education.gov.au/Institution/InstitutionDetails.aspx?ProviderCode=03705J

2.2 Courses and Entry Requirements

TIIS offers undergraduate and postgraduate courses in business, accounting, information technology and cyber security.

Admission is based on published academic and English language requirements, relevant qualifications and an applicant's capacity to successfully complete their chosen course.

Courses Offered

Study Level	Courses
Undergraduate	Bachelor of Business (BBus); Bachelor of Information Technology (BIT)
Graduate Certificate	Graduate Certificate in Business Administration (GCBA); Graduate Certificate in Professional Accounting (GCPA); Graduate Certificate of Information Technology (GCIT)
Master's Degree	Master of Business Administration (MBA); Master of Professional Accounting (MPA); Master of Professional Accounting (Advanced) (MPAA); Master of Cyber Security (MCS)

Course availability, delivery locations, intake dates and entry requirements may vary. Students should refer to the current course information and approved admission requirements before applying.

Academic Entry Requirements

Undergraduate Courses

Applicants must generally meet at least one recognised entry pathway, including:

- Completion of Australian Year 12 or an equivalent overseas qualification, with the required academic results.
- Completion of an eligible AQF Level 5 Diploma or equivalent.
- Relevant prior higher education study.
- Completion of an approved bridging or enabling course.

For recent Year 12 applicants, the general minimum ATAR is 50 for the Bachelor of Business and 60 for the Bachelor of Information Technology.

Graduate Certificate Courses

Applicants generally require a recognised bachelor's degree or equivalent qualification.

Alternative entry may be available to applicants holding a relevant Diploma or Advanced Diploma with at least three years of relevant professional experience within the previous five years, subject to the applicable course requirements.

Master's Degree Courses

Applicants generally require:

- A recognised bachelor's degree or equivalent overseas qualification; or
- A relevant graduate certificate or graduate diploma accepted for admission to the course.

Some courses may have additional requirements or approved alternative admission pathways.

English Language Requirements

Applicants must demonstrate English language proficiency appropriate to their course.

The following are TIIS's published general IELTS Academic requirements or recognised equivalents:

Course Level	IELTS Overall	Minimum Band
Undergraduate	6.0	5.5
Graduate Certificate	6.0	6.0
Graduate Diploma	6.0	6.0
Master's Degree	6.5	6.0

TIIS may accept other recognised English language tests, eligible previous study in English or other approved evidence, subject to its admission requirements.

Applicants who do not meet the standard requirements may be considered for an approved alternative pathway where available.

Assessment of Overseas Qualifications

Overseas qualifications are assessed for comparability with the relevant Australian qualification level. TIIS may request certified academic records, English translations or additional supporting evidence.

Admission is not guaranteed and remains subject to the applicable course requirements and TIIS admission procedures.

For further information, refer to the Admission Policy & Procedures, International Student Admission Addendum and current course information.

2.3 Application, Offers and Enrolment

TIIS provides a fair, transparent and consistent admission process for domestic and international applicants.

Step 1 – Select a Course

Applicants should review their preferred course, including entry requirements, duration, campus location, delivery arrangements, tuition fees and available intake dates.

Step 2 – Submit an Application

Applicants must complete the appropriate TIIS application process and provide required supporting documents, which may include:

- Proof of identity, such as a passport.
- Academic qualifications and transcripts.
- Evidence of English language proficiency.
- Relevant employment records or résumé, where required.
- Additional documents requested for admission assessment.

International applicants may also be required to complete a Genuine Student (GS) assessment.

Applications may be submitted through TIIS's approved application channels or an authorised education agent.

Step 3 – Assessment and Admission Decision

TIIS assesses applications against the published academic, English language and course-specific admission requirements.

Applicants may be asked to provide further information, attend an interview or complete an additional assessment.

Applicants seeking credit for previous studies should submit the relevant application and supporting evidence under the Credit Transfer and RPL Policy & Procedure.

Step 4 – Letter of Offer and Written Agreement

Successful applicants will receive a Letter of Offer and relevant enrolment documentation.

The offer and written agreement provide important information, including:

- Course title, duration, commencement date and study location.
- Applicable admission conditions.
- Tuition fees, additional charges and payment arrangements.
- Refund provisions and withdrawal arrangements.
- Relevant student rights and responsibilities.
- Complaints and appeals arrangements.

Applicants must carefully review the offer and written agreement before accepting.

Step 5 – Acceptance and Fee Payment

To accept an offer, applicants must:

1. Satisfy any outstanding admission conditions.
2. Sign and return the required written agreement.
3. Pay the applicable fees in accordance with the agreement.
4. Provide any additional documents required to finalise enrolment.

For overseas students, TIIS will issue a **Confirmation of Enrolment (CoE)** after the relevant requirements have been satisfied, including receipt of the required signed written agreement and applicable payment.

The CoE is generally required when applying for a student visa.

Step 6 – Enrolment and Commencement

Following enrolment, students will receive information about orientation, subject registration, timetables, student accounts and access to the Learning Management System (LMS).

Students must attend required orientation activities, complete enrolment requirements and commence their studies on the approved date.

International students must also comply with applicable student visa conditions and maintain their enrolment and academic progress.

Further Information

For current course details, entry requirements and application assistance, contact TIIS Admissions.

Telephone: 1300 164 600
Email: info@tiis.edu.au
Website: https://www.tiis.edu.au/

2.3 Credit Transfer and Recognition of Prior Learning

TIIS recognises relevant prior learning and qualifications to support students' academic progression and avoid unnecessary duplication of study.

Students may apply for credit towards their chosen course through:

- **Credit Transfer:** Recognition of equivalent subjects or units successfully completed at TIIS or another recognised education provider.
- **Recognition of Prior Learning (RPL):** Assessment of relevant knowledge and skills acquired through formal, non-formal or informal learning, including professional experience.

Applications must be supported by appropriate evidence, such as academic transcripts, subject outlines, qualifications or relevant professional records.

TIIS assesses applications against the learning outcomes and requirements of the relevant course in accordance with its **Credit Transfer and RPL Policy & Procedure**.

Approved credit may reduce the number of subjects required and the overall course duration. For international students, changes to course duration may affect their Confirmation of Enrolment (CoE) and visa arrangements.

Students are encouraged to apply before commencing their studies and should contact TIIS Admissions or Student Services for assistance.

2.4 Tuition Fees, Payments and Refunds

TIIS is committed to providing clear and accurate information about tuition fees, payment arrangements and refund entitlements before students accept an offer of admission.

Tuition Fees and Other Charges

Tuition fees vary depending on the course and enrolment arrangements. Students are advised of applicable fees and charges through their Letter of Offer, Written Agreement and published course information.

Additional charges may apply for certain administrative services or other approved purposes. Students should review all applicable fees before accepting their offer.

Payment Arrangements

Students must pay tuition fees by the due dates specified in their Written Agreement or official fee notices.

TIIS provides information about accepted payment methods, instalment arrangements where available, and the consequences of overdue payments.

For overseas students, tuition fee collection and protection arrangements must comply with the *Education Services for Overseas Students Act 2000 (Cth)*.

Refunds and Withdrawal

Students may be eligible for a full or partial refund depending on the circumstances of withdrawal, cancellation or provider default.

Refund eligibility, applicable deductions, application procedures and processing timeframes are governed by the student's Written Agreement, the Refund Policy & Procedure and applicable

legislation. Students seeking a refund must submit the required application and supporting documentation to TIIS.

Outstanding Fees

Students are responsible for meeting their financial obligations. Failure to pay fees may result in administrative action, including restrictions on enrolment or other measures permitted under TIIS policies and applicable legislation.

Further Information

Students should refer to the following approved TIIS policies:

- **Student Fees and Charges Policy**
- **Refund Policy & Procedure**
- **Tuition Fee Protection Policy**

For assistance with tuition fees, payment arrangements or refunds, students should contact TIIS Student Services or the Finance Department.

Email: info@tiis.edu.au
Website: https://www.tiis.edu.au/

2.5 Tuition Fee Protection

TIIS is committed to protecting students' prepaid tuition fees in accordance with the *Education Services for Overseas Students Act 2000 (Cth)* (ESOS Act) and applicable regulatory requirements.

Protection of Prepaid Tuition Fees

TIIS maintains a designated bank account for prepaid tuition fees collected from overseas students and manages these funds in accordance with the ESOS Act and its Tuition Fee Protection Policy.

TIIS also maintains appropriate financial and administrative arrangements to safeguard students' tuition fees and meet its obligations if it is unable to deliver an enrolled course.

Tuition Protection Service (TPS)

The Australian Government's Tuition Protection Service (TPS) provides assistance to eligible overseas students if their education provider is unable to deliver their course and fails to meet its legal obligations.

Depending on the circumstances, the TPS may assist affected students to:

- Continue their studies through a suitable alternative course or provider.
- Obtain a refund of eligible unspent tuition fees.

Student Rights and Responsibilities

Students should:

- Review the tuition fees, payment conditions and refund provisions in their Written Agreement.
- Retain copies of payment receipts and enrolment documents.
- Notify TIIS promptly of any concerns regarding tuition fees or course delivery.

If TIIS is unable to deliver a course, affected students will be informed of their rights and available options in accordance with applicable legislation. For further information, refer to the TIIS Tuition Fee Protection Policy and Refund Policy & Procedure.

2.6 Overseas Student Transfers

TIIS manages overseas student transfers in accordance with the *Education Services for Overseas Students Act 2000 (Cth)* (ESOS Act), the *National Code 2018* and its International Students Transfer Policy and Procedure.

Transferring to TIIS

Overseas students seeking to transfer to TIIS from another registered education provider must meet TIIS's admission requirements and applicable transfer conditions.

Students who have not completed six calendar months of their principal course generally require a release from their current provider, unless an exemption under the National Code applies.

Transferring from TIIS

Students wishing to transfer to another registered provider before completing six calendar months of their principal course must apply for release in accordance with TIIS's transfer procedures.

TIIS will assess transfer requests fairly, considering the student's circumstances, wellbeing, academic interests and applicable regulatory requirements.

A release may be granted where the transfer is considered to be in the student's best interests or where required under the National Code.

Transfer Decisions and Appeals

Students will be informed in writing of the outcome of their transfer request.

Where a release is refused, TIIS will provide reasons for the decision and information about the student's right to appeal.

TIIS will not finalise a refusal in PRISMS until the applicable appeals process has been completed or the student has chosen not to access it within the permitted timeframe.

Student Responsibilities

Students considering a transfer should:

- Seek advice before changing education providers.
- Understand the potential impact on their enrolment, tuition fees and student visa.

- Follow the required transfer and withdrawal procedures.
- Maintain their enrolment and comply with visa conditions until appropriate arrangements are confirmed.

For further information, refer to the **TIIS Students Transfer Policy and Procedure** or contact Student Services.

2.7 Deferral, Suspension and Cancellation of Enrolment

TIIS manages requests for deferral, suspension and cancellation of enrolment in accordance with the *Education Services for Overseas Students Act 2000 (Cth)* (ESOS Act), the *National Code 2018* and its **Deferment, Suspension or Cancellation of Enrolment**.

Deferral of Enrolment

Deferral allows a student to postpone the commencement of their course. Overseas students may request deferral on compassionate or compelling grounds, such as serious illness, bereavement or other exceptional circumstances.

Applications must be submitted with appropriate supporting evidence and are subject to TIIS approval.

Suspension of Enrolment

Suspension involves a temporary interruption to a student's studies.

Students may request suspension on compassionate or compelling grounds. TIIS may also initiate suspension in circumstances permitted by its policies and applicable legislation, including serious misconduct.

Cancellation of Enrolment

Cancellation involves the termination of a student's enrolment.

Enrolment may be cancelled following a student request or initiated by TIIS for reasons permitted under its policies and applicable legislation, including serious misconduct, failure to meet enrolment requirements or non-payment of tuition fees.

Application and Decision Process

Students seeking deferral, suspension or cancellation should:

1. Contact Student Services to discuss their circumstances.
2. Submit the required application and supporting documents.
3. Await TIIS's written decision before making changes to their enrolment arrangements.

TIIS will assess applications fairly and inform students of the outcome and any applicable conditions.

Where TIIS initiates suspension or cancellation, students will be informed of the reasons and their appeal rights in accordance with the National Code and TIIS procedures. Applicable internal appeal

processes must generally be completed before the change is reported in PRISMS, except where permitted by law.

Implications for International Students

Deferral, suspension or cancellation may affect a student's Confirmation of Enrolment (CoE) and student visa.

TIIS will report relevant enrolment changes through PRISMS as required. International students should seek advice from the Department of Home Affairs about potential visa implications.

For further information, refer to the **TIIS Deferment, Suspension or Cancellation of Enrolment** or contact Student Services.

2.8 Unique Student Identifier (USI)

The Unique Student Identifier (USI) is a government-issued reference number that identifies a student's education and training records in Australia.

Under the *Student Identifiers Act 2014 (Cth)*, students undertaking higher education in Australia generally require a USI to receive their qualification.

USI Requirements

Students are generally required to:

- Obtain a USI before completing their course.
- Provide their USI to TIIS for verification.
- Ensure their personal details match their official identification documents.
- Notify TIIS of any issues affecting USI verification.

Students who commenced higher education before 1 January 2021 may be subject to transitional arrangements. Certain exemptions also apply, including to eligible international students studying entirely outside Australia.

How to Obtain a USI

Students can create or retrieve their USI free of charge through the Australian Government's official USI website:

https://www.usi.gov.au/

Students should provide their verified USI to TIIS as early as possible to avoid delays in receiving their qualification.

Privacy and Assistance

TIIS collects, verifies and manages USI information in accordance with applicable legislation and its **Privacy Policy**.

Students requiring assistance with their USI should contact TIIS Student Services.

Part 3: STUDYING AT TIIS

3.1 Student Orientation and Commencement

TIIS provides an orientation program to help new students become familiar with the Institute, understand their academic responsibilities and access the services and resources available to support their studies.

Student Orientation Program

New students are expected to participate in orientation activities before or at the commencement of their course.

The orientation program provides information about:

- TIIS campuses, facilities and student services.
- Course structure, timetables and academic expectations.
- Assessment requirements, academic integrity and course progression.
- Learning Management System (LMS) and learning resources.
- Student rights, responsibilities and expected conduct.
- Student support, wellbeing and emergency assistance.
- Complaints, grievances and appeals procedures.

- International student visa conditions and Overseas Student Health Cover (OSHC), where applicable.

Commencement of Studies

Before commencing classes, students should:

1. Complete all enrolment requirements and provide outstanding documentation.
2. Attend scheduled orientation activities.
3. Activate their student email and LMS accounts.
4. Confirm their subject enrolments, timetable and study arrangements.
5. Familiarise themselves with relevant TIIS policies and procedures.

Support for New Students

TIIS provides academic and administrative assistance to help students adjust to their studies. Students who miss orientation or require additional assistance should contact Student Services to obtain essential information and support.

International students are encouraged to seek guidance on living in Australia, maintaining visa compliance and accessing local services.

For further information, refer to the **TIIS Student Orientation and Transition Policy**.

3.2 Academic Calendar, Timetables and Study Plans

TIIS provides an academic calendar, class timetables and study plans to help students organise their studies, meet academic requirements and complete their courses within the expected duration.

Academic Calendar

The TIIS Academic Calendar outlines important dates, including:

- Teaching periods and commencement dates.
- Orientation and enrolment deadlines.
- Assessment and examination periods.
- Academic breaks and public holidays.
- Key administrative and graduation dates.

Students should consult the current Academic Calendar published by TIIS and monitor official communications for updates.

Class Timetables

TIIS provides class timetables before the commencement of each teaching period. Timetables identify scheduled classes, teaching arrangements and relevant learning activities.

Students are responsible for checking their timetables regularly, attending scheduled learning activities and notifying TIIS promptly of any timetable or enrolment concerns.

TIIS may adjust timetables where necessary and will communicate significant changes to affected students.

Study Plans

A study plan outlines the subjects students are expected to complete to meet their course requirements.

Students should:

- Enrol in subjects according to their approved course structure.
- Meet subject prerequisites and progression requirements.
- Maintain an appropriate study load.
- Seek academic advice before changing their study plan.
- Monitor their progress towards course completion.

Students who receive credit transfer or Recognition of Prior Learning (RPL), fail subjects or experience changes in their circumstances may require a revised study plan.

International Student Requirements

International students must maintain enrolment and satisfactory course progress in accordance with applicable student visa conditions and TIIS policies.

Changes to study load, course duration or enrolment arrangements may affect a student's Confirmation of Enrolment (CoE) and visa obligations.

Students should consult TIIS before making changes that could affect their expected course completion date.

Further Information and Assistance

Students can access academic calendars, timetables and relevant study information through official TIIS communication channels, including the Learning Management System (LMS).

For assistance with subject enrolment, study plans or academic progression, students should contact their Course Coordinator, the Registrar or Student Services.

3.3 Teaching, Learning and Assessment

TIIS is committed to providing quality teaching, effective learning experiences and fair, transparent assessment practices that support students in achieving their course learning outcomes.

Teaching and Learning

TIIS uses a range of teaching and learning approaches, including lectures, tutorials, workshops, practical activities, case studies, group discussions and independent study.

Depending on the course and approved delivery arrangements, learning activities may be conducted face-to-face, online or through blended delivery.

Students are expected to:

- Attend and actively participate in scheduled learning activities.
- Complete required readings, learning activities and assessments.
- Engage with lecturers and seek assistance when needed.
- Use the Learning Management System (LMS) and available academic resources.
- Manage their study time and meet academic deadlines.

Assessment Requirements

Assessment is designed to evaluate students' knowledge, skills and achievement of subject learning outcomes.

Assessment methods may include:

- Written assignments, reports and case studies.
- Quizzes, tests and examinations.
- Individual and group projects.
- Presentations and practical assessments.
- Research-based and other course-specific activities.

Students will receive information about assessment tasks, marking criteria, submission requirements and deadlines through their Subject Learning Guides and the LMS.

Assessment Submission and Feedback

Students must submit assessment tasks by the specified deadlines and comply with TIIS's academic integrity requirements.

Extensions or special consideration may be available in accordance with applicable TIIS policies and procedures.

TIIS provides assessment results and feedback to help students understand their performance and identify areas for improvement.

Student Responsibilities

Students are responsible for:

- Understanding assessment instructions and marking criteria.
- Submitting original work and acknowledging sources appropriately.
- Meeting assessment deadlines and examination requirements.
- Participating appropriately in group assessments.

- Reviewing feedback and taking action to improve academic performance.

Students who experience academic difficulties or circumstances affecting their assessments should contact their lecturer or Course Coordinator as early as possible.

Further Information

Students should refer to their Subject Learning Guides and relevant TIIS academic policies, including the "Student Academic Integrity and Honesty" policy, Examinations Policy and **Moderation Policy**.

For assistance, contact the relevant lecturer, Course Coordinator or Student Services.

3.4 Academic Integrity and Misconduct

TIIS is committed to maintaining high standards of academic integrity, honesty and ethical conduct in all teaching, learning and assessment activities.

Students are expected to demonstrate integrity in their academic work and comply with the **TIIS policy titled "Student Academic Integrity and Honesty"**.

Academic Integrity

Academic integrity requires students to:

- Submit original work that reflects their own knowledge and understanding.
- Acknowledge information, ideas and materials obtained from other sources.
- Use appropriate referencing and citation methods.
- Complete assessments honestly and follow examination requirements.
- Use artificial intelligence (AI) tools only as permitted by TIIS and the relevant assessment instructions.
- Avoid providing or receiving unauthorised assistance.

Academic Misconduct

Academic misconduct includes conduct that compromises the integrity of academic work or assessment.

Examples include:

- **Plagiarism:** Presenting another person's words, ideas or work as one's own without appropriate acknowledgement.
- **Collusion:** Unauthorised collaboration on work intended to be completed independently.
- **Contract Cheating:** Having another person or service complete assessment work on a student's behalf.
- **Cheating:** Using unauthorised materials, assistance or methods during assessments or examinations.

- **Fabrication or Falsification:** Inventing or altering data, evidence, references or academic records.
- **Misuse of AI:** Using AI-generated content in ways that breach assessment instructions or academic integrity requirements.

Prevention and Student Support

TIIS provides guidance on academic writing, referencing, research skills and responsible use of learning technologies.

Students who are uncertain about assessment requirements, collaboration or the permitted use of AI should seek clarification from their lecturer before submitting their work.

Reporting and Management of Academic Misconduct

Suspected academic misconduct will be assessed and managed in accordance with TIIS's approved policies and procedures.

Students will be informed of relevant allegations and provided with an opportunity to respond in accordance with procedural fairness requirements.

Where misconduct is established, outcomes may include academic penalties or disciplinary action, depending on the nature and seriousness of the breach.

Students may seek a review or appeal of a decision through applicable TIIS procedures.

Further Information

Students should refer to the **TIIS policy titled "Student Academic Integrity and Honesty"**, relevant assessment instructions and applicable guidance on the use of generative AI.

For assistance, contact the relevant lecturer, Course Coordinator or Student Services.

3.5 Academic Progress and Students at Risk

TIIS is committed to supporting students in achieving satisfactory academic progress and completing their courses within the expected duration.

Student performance is monitored regularly to identify academic difficulties and provide timely intervention and support in accordance with the **Course Progression Policy** and **Students At Risk Policy**.

Academic Progress Requirements

Students are expected to:

- Maintain satisfactory academic performance and meet course progression requirements.
- Complete assessments and participate in scheduled learning activities.
- Meet subject prerequisites and other academic requirements.
- Respond promptly to academic progress notifications.

- Seek assistance when experiencing academic difficulties.

TIIS monitors academic performance through assessment results, subject outcomes and other relevant indicators.

Identification of Students at Risk

Students may be identified as academically at risk where they:

- Fail one or more subjects or demonstrate unsatisfactory academic performance.
- Repeatedly miss assessments or fail to meet academic deadlines.
- Demonstrate limited engagement with learning activities.
- Experience difficulties that may affect their ability to progress or complete their course.

Identification as a student at risk is intended to facilitate early support and does not automatically result in disciplinary action.

Early Intervention and Academic Support

Where academic concerns are identified, TIIS may contact the student and arrange appropriate intervention measures, including:

- Academic consultation with lecturers or Course Coordinators.
- Individual learning support and study skills assistance.
- Development of an Academic Intervention or Improvement Plan.
- Referral to counselling or other student support services.
- Review of study arrangements and ongoing academic progress.

Students are expected to participate in agreed intervention activities and take reasonable steps to improve their performance.

Unsatisfactory Academic Progress

Students who continue to experience academic difficulties may be subject to formal academic progression procedures, including additional monitoring, conditions on enrolment or other actions permitted under TIIS policies.

Students will be informed of relevant decisions and their rights to seek a review or appeal.

For overseas students, unsatisfactory course progress may result in reporting through the Provider Registration and International Student Management System (PRISMS), where required under the *National Code 2018*.

Before reporting a student for unsatisfactory course progress, TIIS will provide the required written notice and access to the applicable complaints and appeals process.

Student Responsibilities and Assistance

Students should monitor their academic results, respond to TIIS communications and seek assistance as early as possible when difficulties arise.

For further information, refer to the **TIIS Course Progression Policy** and **Students At Risk Policy**.

Students requiring assistance should contact their lecturer, Course Coordinator or Student Services.

3.6 Academic Support and Learning Resources

TIIS provides academic support services and learning resources to help students develop their knowledge, improve academic performance and successfully complete their studies.

Academic Support Services

Students can access academic assistance through lecturers, Course Coordinators and the TIIS Learning Centre.

Support may include:

- Academic writing, referencing and research skills.
- Study techniques, time management and examination preparation.
- English language and academic communication skills.
- Understanding assessment requirements and feedback.
- Individual academic consultation and learning assistance.
- Additional support for students experiencing academic difficulties.

Students are encouraged to seek assistance early, particularly when experiencing challenges with assessments or course progression.

Learning Resources

TIIS provides access to learning resources relevant to students' courses, including:

- Subject Learning Guides and assessment information.
- Prescribed and recommended textbooks.
- Electronic books, academic journals and online databases, where available.
- Lecture materials, readings and other digital resources.
- Learning Management System (LMS) resources and academic guidance.

Students are responsible for using learning resources appropriately and complying with copyright, academic integrity and information technology requirements.

Learning Centre and Academic Consultation

The TIIS Learning Centre supports students in developing essential academic skills and independent learning capabilities.

Students may seek guidance from the Learning Centre or arrange consultations with their lecturers and Course Coordinators.

Additional academic assistance may be provided to students identified as academically at risk under TIIS's early intervention arrangements.

Student Responsibilities

Students are expected to participate actively in their learning, access available resources, review assessment feedback and seek assistance when required.

Further Information and Assistance

For academic support, students may contact:

- **Learning Centre:** learningcentre@tiis.edu.au
- **Student Services:** info@tiis.edu.au
- **Website:** https://www.tiis.edu.au/

3.7 Learning Management System (LMS)

TIIS provides a **Learning Management System (LMS)** to support teaching, learning, assessment and communication between students and academic staff.

The LMS enables students to access course materials, participate in learning activities, submit assessments and monitor their academic progress.

Access to the LMS

Enrolled students receive instructions for accessing the LMS and their student accounts.

Through the LMS, students can access:

- Subject Learning Guides, lecture notes and learning materials.
- Assessment instructions, submission portals and deadlines.
- Online learning activities and discussion forums.
- Assessment feedback and results, where available.
- Academic announcements and important course information.
- Additional learning resources and academic support materials.

Student Responsibilities

Students are expected to:

- Access the LMS regularly and monitor subject announcements.
- Download and review relevant learning materials.
- Submit assessments through the designated channels by the required deadlines.

- Participate in required online learning activities.
- Maintain the confidentiality of their login credentials.
- Use the LMS responsibly and respect academic integrity, copyright and privacy requirements.

Technical Support

Students experiencing difficulties accessing the LMS or submitting assessments should promptly notify their lecturer and seek technical assistance.

Technical difficulties do not automatically entitle students to assessment extensions. Requests will be considered under applicable TIIS assessment procedures.

Information Security and Appropriate Use

Students must not share account credentials, access another person's account or misuse institutional systems and learning resources.

Use of the LMS is governed by the **TIIS IT Resources and Learning Systems Policy**, **Learning Management System (LMS) Data Policy** and **Privacy Policy**.

Further Information and Assistance

Students requiring assistance with LMS access or technical issues may contact:

- **IT Support:** itsupport@tiis.edu.au
- **Student Services:** info@tiis.edu.au
- **Website:** https://www.tiis.edu.au/

3.8 Course Completion and Graduation

TIIS is committed to ensuring that students who successfully complete their courses receive appropriate academic qualifications and recognition of their achievements.

Course completion and graduation are managed in accordance with the **TIIS Graduation Policy and Procedure**, applicable academic requirements and regulatory standards.

Course Completion Requirements

To be eligible for graduation, students must:

- Successfully complete all required subjects and achieve the prescribed course learning outcomes.
- Satisfy the total credit point requirements of their course, including any approved credit transfer or Recognition of Prior Learning (RPL).
- Meet all applicable academic and course progression requirements.
- Fulfil any additional course-specific requirements.

- Resolve outstanding administrative obligations that may lawfully affect the issuing of their qualification.

Students should regularly review their study plans and academic results to ensure they remain on track for completion.

Verification and Conferral of Awards

Upon completion of all academic requirements, TIIS verifies students' eligibility for graduation.

Eligible students are recommended through the appropriate academic governance processes, with academic awards formally conferred by the **TIIS Board of Directors on the recommendation of the Academic Board**.

Students will be notified of relevant graduation arrangements and the availability of their qualification documents.

Graduation Documents

Following conferral, eligible graduates will receive official academic documentation, including:

- A testamur confirming the qualification awarded.
- An official academic transcript recording completed studies and results.
- An Australian Higher Education Graduation Statement (AHEGS), where applicable.

These documents are issued in accordance with TIIS policies and applicable higher education requirements.

Graduation Ceremonies

TIIS may organise graduation ceremonies to recognise students' academic achievements.

Information about ceremony dates, registration, attendance arrangements and any applicable charges will be communicated to eligible graduates.

Attendance at a graduation ceremony is not generally required for the formal conferral of an academic award.

International Student Requirements

International students must complete their courses within the expected duration specified in their Confirmation of Enrolment (CoE), unless an extension is permitted under applicable regulatory requirements.

Students should seek advice from TIIS before making changes that may affect their enrolment, course completion date or student visa conditions.

Further Information and Assistance

Students should refer to the **TIIS Graduation Policy and Procedure** and **Completion within the Expected Duration Policy**.

For assistance with course completion, graduation eligibility or academic documents, contact the Registrar or Student Services.

Email: info@tiis.edu.au
Website: https://www.tiis.edu.au/

PART 4 – STUDENT SUPPORT AND WELLBEING

The Institute of International Studies (TIIS) is committed to providing a safe, inclusive and supportive learning environment for students at its **Sydney and Melbourne campuses**.

TIIS provides a range of services to support students' academic success, personal wellbeing and professional development, including:

- 4.1 Student Support Services: Academic, administrative and general assistance throughout enrolment and study.
- 4.2 Academic and English Language Support: Assistance with academic skills, English language proficiency, assessment and learning.
- 4.3 Health, Counselling and Wellbeing: Wellbeing guidance and referrals to appropriate health and counselling services.
- 4.4 Disability Support and Reasonable Adjustments: Equitable access to education through appropriate learning support and reasonable adjustments.

- 4.5 Career Development and Employability: Career guidance, employability skills and professional development opportunities.
- 4.6 Student Representation and Feedback: Opportunities for students to express their views and contribute to institutional improvement.
- 4.7 Campus Safety and Emergency Assistance: Safe learning environments, emergency procedures and incident reporting.

Accessing Support

Students at both campuses may seek assistance through their respective Student Services team, academic staff or the Registrar. TIIS will facilitate appropriate referrals where specialised support is required.

Students are encouraged to seek assistance early and refer to the Student Support & Wellbeing **Policy**.

Student Support Contacts

- **Sydney Campus:** info@tiis.edu.au
- **Melbourne Campus:** info-Mel@tiis.edu.au

4.1 Student Support Services at TIIS

TIIS is committed to providing a supportive, inclusive and accessible learning environment that promotes student wellbeing, academic success and personal development.

Student support services are available to assist students throughout their studies, from orientation and enrolment to course completion and graduation.

Student Support Services

TIIS provides students with access to a range of support services, including:

- **Academic Support:** Assistance with study skills, academic writing, referencing, assessment preparation and academic progress.
- **Administrative Support:** Guidance on enrolment, timetables, study plans, academic records and graduation.
- **Personal and Wellbeing Support:** Information, guidance and referrals to appropriate counselling, health and community services.
- **International Student Support:** Assistance with understanding enrolment responsibilities, student visa conditions, Overseas Student Health Cover (OSHC) and living in Australia.
- **Disability and Accessibility Support:** Assistance with reasonable adjustments and access to learning activities and facilities.
- **Career and Employability Support:** Information and guidance to assist students with career planning and employment preparation.

- **IT and Digital Learning Support:** Assistance with the Learning Management System (LMS), student accounts and online learning resources.

Accessing Student Support

Students may seek assistance directly from Student Services, lecturers, Course Coordinators or the TIIS Learning Centre.

Where specialised assistance is required, TIIS may refer students to appropriate external professional or community services.

Students are encouraged to seek support early, particularly when personal, financial, health or academic circumstances may affect their studies.

Confidentiality and Student Wellbeing

TIIS respects students' privacy and handles personal information in accordance with its Privacy Policy and applicable legislation.

Information disclosed when seeking support will be managed confidentially, subject to legal obligations and circumstances where disclosure is necessary to address serious safety or wellbeing concerns.

Student Responsibilities

Students are encouraged to:

- Attend orientation and become familiar with available support services.
- Monitor TIIS communications and respond to requests for information.
- Inform TIIS promptly when difficulties may affect their studies.
- Participate in agreed support or academic intervention arrangements.
- Treat staff and fellow students respectfully.

Further Information and Assistance

Students should refer to the **TIIS Student Support & Wellbeing Policy** and other relevant student policies.

For assistance, contact:

- **Student Services:** info@tiis.edu.au
- **Learning Centre:** learningcentre@tiis.edu.au
- **IT Support:** itsupport@tiis.edu.au
- **Website:** https://www.tiis.edu.au/

4.2 Academic and English Language Support

TIIS provides academic and English language support to help students develop the skills and confidence required for successful higher education studies.

Support is available throughout students' enrolment and is particularly important for those experiencing academic or language-related difficulties.

Academic Learning Support

Students may access assistance with:

- Academic writing, essay and report preparation.
- Research skills, referencing and citation.
- Critical thinking, analysis and problem-solving.
- Assessment preparation and examination techniques.
- Time management, independent learning and study planning.
- Understanding assessment feedback and improving academic performance.

Academic support is available through lecturers, Course Coordinators and the TIIS Learning Centre.

English Language Support

TIIS recognises that students from diverse linguistic backgrounds may require additional assistance with academic English.

Support may include:

- Academic reading and comprehension.
- Academic vocabulary, grammar and written communication.
- Listening, speaking and presentation skills.
- Participation in classroom discussions and group activities.
- Understanding assessment instructions and academic expectations.

Students experiencing English language difficulties are encouraged to seek assistance early.

Support for Students at Risk

Students identified as academically at risk may be referred for additional academic or English language assistance as part of an individual intervention or improvement plan.

TIIS may monitor students' progress and recommend appropriate learning activities or consultations to support improvement.

Student Responsibilities

Students are expected to participate actively in their learning, attend recommended support sessions, apply feedback and seek clarification when needed.

Academic and English language support supplements, but does not replace, students' responsibility to meet course and assessment requirements.

Further Information and Assistance

Students should refer to the **TIIS Student Support & Wellbeing Policy**, **Course Progression Policy** and **Students At Risk Policy**.

For assistance, contact:

- **Learning Centre:** learningcentre@tiis.edu.au
- **Student Services:** info@tiis.edu.au
- **Website:** https://www.tiis.edu.au/

4.3 Health, Counselling and Wellbeing

TIIS is committed to promoting a safe, supportive and inclusive learning environment that supports students' physical health, mental wellbeing and personal development.

TIIS recognises that health, personal and emotional difficulties can affect students' academic performance and overall study experience.

Health and Wellbeing Support

Students experiencing health or wellbeing concerns are encouraged to seek assistance as early as possible.

TIIS Student Services can provide:

- General guidance on health and wellbeing matters.
- Information about accessing medical practitioners and healthcare services.
- Referrals to external counselling and mental health professionals.
- Assistance with identifying appropriate community support services.
- Guidance on managing personal circumstances that may affect academic progress.

TIIS does not replace professional medical or psychological services. Students requiring specialised assistance should consult an appropriately qualified healthcare professional.

Counselling and Mental Health

Students experiencing stress, anxiety, emotional difficulties or other mental health concerns may contact Student Services for confidential guidance and referral to appropriate services.

External support services include:

- **Lifeline:** 13 11 14 — 24-hour crisis support.

- **Beyond Blue:** 1300 22 4636 — mental health information and support.
- **13YARN:** 13 92 76 — support for Aboriginal and Torres Strait Islander people.

Overseas Student Health Cover (OSHC)

International students are generally required to maintain valid OSHC for the duration of their stay in Australia, in accordance with their student visa conditions.

OSHC assists with eligible medical and hospital expenses, subject to the terms of the student's insurance policy.

Students should familiarise themselves with their OSHC coverage and claims procedures.

Health-Related Academic Difficulties

Students whose health or personal circumstances affect their attendance, assessments or academic progress should notify TIIS promptly.

Depending on the circumstances and supporting evidence, students may be eligible to apply for assessment extensions, special consideration or other appropriate academic arrangements under relevant TIIS policies.

Emergency Assistance

In a life-threatening emergency, students should call **000** for Police, Fire or Ambulance services.

Students should also report relevant incidents occurring on campus to TIIS staff as soon as it is safe to do so.

Further Information and Assistance

Students should refer to the **TIIS Student Support & Wellbeing Policy** and relevant health and safety procedures.

For assistance, contact:

- **Student Services:** info@tiis.edu.au
- **Website:** https://www.tiis.edu.au/

4.4 Disability Support and Reasonable Adjustments

TIIS is committed to providing an inclusive and accessible learning environment that enables students with disabilities, medical conditions or other accessibility needs to participate equitably in their studies.

TIIS provides reasonable adjustments in accordance with the *Disability Discrimination Act 1992*, the *Disability Standards for Education 2005* and relevant institutional policies.

Disability and Accessibility Support

Students may request assistance where a disability, ongoing medical condition, mental health condition or other recognised accessibility need affects their ability to participate in learning activities or assessments.

Support may include:

- Adjustments to teaching and learning arrangements.
- Accessible learning materials and digital resources.
- Additional time or alternative arrangements for assessments and examinations.
- Appropriate assistive technologies or learning aids.
- Adjustments to classroom access or participation arrangements.
- Referrals to relevant academic or external support services.

Requesting Reasonable Adjustments

Students requiring adjustments should contact Student Services as early as possible, preferably before commencing their studies or the relevant teaching period.

TIIS will consult with the student to understand their individual circumstances and determine appropriate adjustments. Relevant supporting documentation may be requested where reasonably necessary.

Adjustments are considered individually, taking into account the student's needs, applicable legal requirements, academic standards and the inherent requirements of the course.

Reasonable adjustments are intended to provide equitable access without compromising essential learning outcomes or academic integrity.

Confidentiality and Non-Discrimination

TIIS respects students' privacy and will handle disability-related information confidentially in accordance with its Privacy Policy and applicable legislation.

Students will not be subjected to unlawful discrimination, harassment or victimisation because of a disability or a request for reasonable adjustments.

Review and Ongoing Support

Students are encouraged to inform TIIS if their circumstances or support needs change.

Where appropriate, approved adjustments may be reviewed to ensure they remain effective throughout the student's studies.

Students who are dissatisfied with a decision concerning reasonable adjustments may seek a review or lodge a complaint through TIIS's applicable complaints and grievances procedures.

Further Information and Assistance

Students should refer to the **TIIS Student Support & Wellbeing Policy**, **Diversity and Equity Policy** and **Students Complaint and Grievance Policy**.

For confidential assistance or to request reasonable adjustments, contact:

- **Student Services:** info@tiis.edu.au

4.5 Career Development and Employability

TIIS is committed to supporting students in developing the knowledge, professional skills and career readiness required for employment and career advancement.

TIIS encourages students to take an active role in career planning and to develop the practical capabilities needed in a changing employment environment.

Career Development Support

Students may access career-related information, guidance and learning opportunities, including:

- Career planning and identification of professional goals.
- Résumé and cover letter preparation.
- Job search strategies and interview preparation.
- Professional communication and workplace expectations.
- Information about employment opportunities and relevant industry trends.
- Guidance on further study and professional development pathways.

Employability Skills Development

TIIS integrates relevant professional and transferable skills into teaching and learning activities.

These may include:

- Critical thinking, problem-solving and decision-making.
- Communication, teamwork and leadership.
- Digital literacy and responsible use of emerging technologies.
- Ethical conduct and professional responsibility.
- Adaptability, initiative and independent learning.

Industry Engagement and Professional Development

Where available, TIIS may facilitate industry engagement activities, guest presentations, professional networking opportunities and other career-related learning experiences.

Students are encouraged to participate in relevant professional associations, industry events and activities that enhance their understanding of workplace expectations.

Participation in these activities does not guarantee employment, internships or professional registration.

International Student Employment Responsibilities

International students seeking employment must comply with their student visa conditions, including applicable work restrictions.

Students should familiarise themselves with Australian workplace rights, minimum employment standards and relevant visa requirements.

Student Responsibilities

Students are encouraged to develop their career plans, participate in employability activities and seek advice about professional development opportunities.

Further Information and Assistance

Students may contact Student Services or their Course Coordinator for information about available career development activities and support.

- **Student Services:** info@tiis.edu.au
- **Website:** https://www.tiis.edu.au/
- **Fair Work Ombudsman:** https://www.fairwork.gov.au/

4.6 Student Representation and Feedback

TIIS values student participation and feedback as essential components of academic quality assurance, institutional improvement and the overall student experience.

Students are encouraged to contribute their views, raise concerns and participate in consultation processes that inform improvements to teaching, learning and student services.

Student Representation

TIIS provides opportunities for students to contribute to institutional decision-making through appropriate student representation and consultation arrangements.

Student representatives may participate in relevant academic governance bodies, committees or consultation activities, including the Academic Board where applicable.

Student representatives are expected to:

- Communicate students' views and concerns constructively.
- Participate actively in relevant meetings and consultations.
- Respect confidentiality and institutional requirements.
- Provide feedback to students on relevant matters, where appropriate.

Student Feedback and Evaluation

TIIS collects student feedback through various mechanisms, which may include:

- Subject and teaching evaluations.
- Student satisfaction surveys.

- Orientation and student experience surveys.
- Student consultation meetings and forums.
- Direct feedback to lecturers, Course Coordinators and Student Services.

Feedback may address teaching quality, assessment practices, learning resources, student support, campus facilities and other aspects of the student experience.

Continuous Improvement

TIIS reviews student feedback to identify areas for improvement and inform academic and operational planning.

Relevant feedback and evaluation outcomes may be considered by management, the Academic Board and other appropriate committees.

Where practicable, TIIS communicates significant improvements arising from student feedback.

Raising Concerns and Complaints

Students are encouraged to raise suggestions or concerns with the relevant lecturer, Course Coordinator or Student Services.

Students who wish to lodge a formal complaint may use TIIS's established complaints and grievances procedures.

Students must not be subjected to victimisation or adverse treatment for providing feedback or raising concerns in good faith.

Further Information and Assistance

Students should refer to the **TIIS Student Consultation Policy**, **Student Feedback and Evaluation Policy** and **Students Complaint and Grievance Policy**.

4.7 Campus Safety and Emergency Assistance

TIIS is committed to providing a safe, secure and supportive environment for students, staff and visitors at its Sydney and Melbourne campuses.

Students are expected to follow campus safety instructions, report hazards and incidents promptly, and cooperate with emergency procedures.

Campus Locations

Sydney Campus
13–15 Smail Street, Ultimo NSW 2007
Telephone: 1300 164 600 or +61 2 8098 0702
Email: info@tiis.edu.au

Melbourne Campus
Level 1, 112 Newquay Promenade, Docklands VIC 3008

Telephone: 1300 164 600 or +61 3 9005 5511
Email: info-Mel@tiis.edu.au

Emergency Assistance

In Australia, students should call **000** for immediate Police, Fire or Ambulance assistance in a life-threatening emergency.

When reporting an emergency, students should provide their location, describe the incident and follow the emergency operator's instructions.

For non-emergency police assistance, students may contact the **Police Assistance Line on 131 444**.

Campus Emergency Procedures

In the event of a fire, medical emergency, security threat or other critical incident, students must:

- Follow instructions from emergency services, TIIS staff and designated emergency wardens.
- Evacuate immediately when directed and use designated emergency exits.
- Proceed to the assembly point identified in the relevant campus evacuation plan.
- Avoid using lifts during a fire evacuation.
- Remain at the assembly point until authorised to leave.
- Report any injured, missing or vulnerable persons to emergency personnel.

Evacuation routes, emergency exits and assembly points may differ between the Sydney and Melbourne campuses. Students should familiarise themselves with the emergency information displayed at their campus.

Reporting Safety Concerns and Incidents

Students should promptly report:

- Accidents, injuries and medical emergencies.
- Unsafe facilities, equipment or environmental hazards.
- Threatening behaviour, harassment or violence.
- Security concerns, suspicious activities or other critical incidents.

Reports may be made to campus staff or Student Services. Immediate threats should be reported to emergency services first.

Personal Safety and Wellbeing

Students are encouraged to safeguard their belongings, remain aware of their surroundings and follow reasonable campus security instructions.

Students experiencing harassment, sexual harm, gender-based violence or other threats to their safety may seek confidential support and information about reporting options through Student Services.

Further Information and Assistance

Students should refer to the **TIIS Student Safety and Security Procedure**, **Work, Health & Safety Policy**, **Critical Incident Management Policy**, **Sexual Harm Prevention and Response Policy** and **Gender-Based Violence Prevention and Response Policy**.

PART 5 – LIVING AND STUDYING IN AUSTRALIA

5.1 Accommodation and Cost of Living in Sydney and Melbourne

Students studying at TIIS's Sydney or Melbourne campus are responsible for arranging suitable accommodation and managing their living expenses throughout their studies.

Both cities offer a range of accommodation options, public transport services and community facilities. However, living costs can be substantial, particularly for international students.

Accommodation Options

Students may consider:

- **Shared Accommodation:** Renting a room in a shared house or apartment.
- **Private Rental:** Renting an apartment or house independently.
- **Purpose-Built Student Accommodation:** Furnished accommodation designed for students, subject to availability.
- **Homestay:** Living with an Australian family, where suitable arrangements are available.

Students should consider accommodation costs, safety, transport accessibility, lease conditions and proximity to their campus before making arrangements.

Indicative Living Costs

The following estimates are provided for general budgeting purposes only. Actual expenses vary according to location, accommodation type and individual lifestyle.

Expense	Sydney (AUD/week)	Melbourne (AUD/week)
Shared accommodation	$250–$450	$220–$400
Food and groceries	$100–$180	$100–$180
Public transport	$30–$60	$25–$55
Utilities and internet	$25–$60	$25–$60
Personal expenses	$50–$100	$50–$100
Estimated total	**$455–$850**	**$420–$805**

These are broad planning estimates, not verified current rental quotations. Tuition fees, OSHC, rental bonds, initial setup costs and other significant expenses are additional.

Accommodation and Tenancy Rights

Students should:

- Inspect accommodation or verify its legitimacy before making payments.
- Obtain a written tenancy agreement and understand its conditions.
- Confirm rental bond, advance rent and utility arrangements.
- Keep receipts and records of rental payments.
- Understand their rights and responsibilities under applicable tenancy legislation.

For tenancy information and assistance:

- **NSW Fair Trading:** https://www.nsw.gov.au/housing-and-construction/renting-a-place-to-live
- **Consumer Affairs Victoria:** https://www.consumer.vic.gov.au/housing/renting

Financial Planning

Students should prepare a realistic budget covering accommodation, food, transport, healthcare, communication, study materials and unexpected expenses.

International students must ensure they have sufficient financial resources to support themselves and meet applicable student visa requirements. Australian Government financial capacity requirements may differ from actual living expenses and can change.

Further Information and Assistance

TIIS Student Services can provide general information and direct students to relevant accommodation, tenancy and community resources. Students remain responsible for selecting and securing their accommodation.

5.2 Healthcare and Overseas Student Health Cover (OSHC)

Australia provides a range of public and private healthcare services, including general practitioners (GPs), hospitals, pharmacies and specialist medical services.

Students are responsible for understanding how to access healthcare and maintaining appropriate health insurance throughout their studies.

Accessing Healthcare in Australia

Students requiring medical assistance may access:

- **General Practitioners (GPs):** For routine medical consultations, illness, prescriptions and referrals to specialists.
- **Public and Private Hospitals:** For emergency treatment, specialist care and hospital services.
- **Pharmacies:** For prescription medications and general health advice.
- **Mental Health Services:** For counselling, psychological support and other mental health assistance.

Students should check consultation fees, insurance coverage and any out-of-pocket costs before receiving non-emergency treatment.

Overseas Student Health Cover (OSHC)

International students holding Australian student visas are generally required to maintain valid **Overseas Student Health Cover (OSHC)** for the duration of their stay in Australia, unless an applicable exemption applies.

OSHC helps cover eligible healthcare expenses, including certain:

- GP and specialist medical consultations.
- Hospital treatment and accommodation.
- Prescription medicines.
- Emergency ambulance services.

Coverage, exclusions, waiting periods and out-of-pocket expenses vary according to the insurance provider and policy.

Students should review their OSHC policy carefully and understand how to make claims.

Maintaining Health Insurance

International students must:

- Maintain valid OSHC as required by their student visa conditions.
- Ensure their coverage remains current when extending their visa or study duration.
- Keep their insurance membership details accessible.
- Notify their OSHC provider of relevant changes to personal circumstances.

OSHC does not necessarily cover all medical, dental, optical or allied health expenses. Students may consider additional insurance where appropriate.

Medicare and Domestic Students

Australian citizens and other eligible students may access Medicare, Australia's public healthcare system.

Eligibility depends on individual circumstances. Most international students are not eligible for Medicare and rely on OSHC, although some exceptions apply.

Medical Emergencies and Health Support

In a life-threatening emergency, call **000** for Police, Fire or Ambulance assistance.

For non-emergency health advice, students may contact **healthdirect on 1800 022 222**.

Students experiencing health difficulties that affect their studies should contact TIIS Student Services as early as possible to discuss available support and relevant academic arrangements.

Further Information and Assistance

Students can obtain information from:

- **Australian Government – OSHC:** https://www.privatehealth.gov.au/
- **Services Australia – Medicare:** https://www.servicesaustralia.gov.au/medicare
- **Healthdirect:** https://www.healthdirect.gov.au/
- **Student Services:** info@tiis.edu.au
- **TIIS Website:** https://www.tiis.edu.au/

5.3 Working in Australia and Employment Rights

Students studying at TIIS may seek part-time or casual employment to gain work experience, develop professional skills and supplement their living expenses.

All students working in Australia are entitled to workplace protections under applicable Australian employment laws, regardless of their nationality or visa status.

Working While Studying

International students holding a Student visa (subclass 500) must comply with their visa conditions.

Generally:

- Student visa holders may work up to **48 hours per fortnight** while their course is in session.
- Eligible students may work unlimited hours during scheduled course breaks.
- Different arrangements may apply to students undertaking certain research degrees or where specific visa conditions apply.
- Students must continue to meet their enrolment, attendance and academic progress requirements.

Work rights and restrictions may change. Students should check their individual visa conditions through **Visa Entitlement Verification Online (VEVO)** before commencing employment.

Employment Rights in Australia

Students working in Australia are generally entitled to:

- Applicable minimum wages and lawful employment conditions.
- A safe and healthy workplace.
- Payment for all hours worked.
- Payslips and appropriate employment records.
- Superannuation contributions where eligible.
- Protection from unlawful discrimination, harassment and workplace exploitation.

Employment entitlements depend on the applicable award, enterprise agreement, employment classification and legislation.

Tax File Number and Superannuation

Students intending to work in Australia should apply for a **Tax File Number (TFN)** through the Australian Taxation Office (ATO).

Employers generally have obligations relating to income tax withholding and superannuation contributions.

Students should keep records of their employment, income and payslips.

Avoiding Workplace Exploitation

Students should be aware that:

- Employers must comply with Australian workplace laws.
- Cash payments do not remove an employer's legal obligations.
- Students should not surrender their passports or personal identity documents to employers.
- Employers cannot cancel a student's visa.
- Workplace exploitation or suspected underpayment may be reported to the Fair Work Ombudsman.

Students experiencing workplace difficulties may seek confidential information and assistance from relevant government agencies.

Balancing Work and Study

Students are encouraged to prioritise their academic responsibilities and ensure that employment does not interfere with scheduled classes, assessments or satisfactory course progress.

Further Information and Assistance

Students can obtain information from:

- **Fair Work Ombudsman:** https://www.fairwork.gov.au/
- **Department of Home Affairs – VEVO:** https://immi.homeaffairs.gov.au/visas/already-have-a-visa/check-visa-details-and-conditions/check-conditions-online
- **Australian Taxation Office:** https://www.ato.gov.au/

5.4 Student Visa Conditions and Responsibilities

International students studying at TIIS must comply with the conditions of their Australian student visa and relevant requirements under the *Education Services for Overseas Students Act 2000 (ESOS Act)* and the *National Code 2018*.

Students are responsible for understanding their visa conditions and ensuring that their enrolment and personal circumstances remain compliant throughout their stay in Australia.

Student Visa Responsibilities

International students must:

- **Maintain Valid Enrolment:** Remain enrolled in a registered course and maintain the required study load, unless an approved exception applies.
- **Maintain Satisfactory Course Progress:** Meet TIIS's academic progression requirements and participate in any required intervention arrangements.
- **Complete Studies Within the Expected Duration:** Complete their course within the duration specified in their Confirmation of Enrolment (CoE), unless an extension is permitted.
- **Comply with Work Restrictions:** Observe the employment conditions attached to their student visa.
- **Maintain OSHC:** Hold valid Overseas Student Health Cover for the required period, unless exempt.
- **Maintain Current Contact Details:** Notify TIIS of their Australian residential address, mobile number, email address and emergency contact details within seven days of arrival or any subsequent change.
- **Comply with Other Visa Conditions:** Meet all additional conditions applicable to their individual visa.

Changes to Enrolment

Students must consult TIIS before requesting changes that may affect their CoE or visa status, including:

- Deferral, suspension or cancellation of enrolment.
- Reduction in study load.
- Course transfers or changes of education provider.

- Extensions to the expected course completion date.
- Withdrawal from a course.

TIIS may be required to report relevant enrolment changes through the **Provider Registration and International Student Management System (PRISMS)**.

Such changes may affect a student's visa. Students should obtain advice from the Department of Home Affairs or a registered migration agent where necessary.

Visa Compliance and Academic Progress

Failure to maintain satisfactory course progress or comply with relevant enrolment requirements may result in formal intervention and, where legally required, reporting to the Department of Home Affairs through PRISMS.

Before reporting unsatisfactory course progress, TIIS will provide the required notification and access to the applicable complaints and appeals process.

Checking Visa Conditions

Students should use **Visa Entitlement Verification Online (VEVO)** to confirm their current visa conditions.

TIIS can provide information about its enrolment requirements but does not provide migration advice or determine visa outcomes.

Further Information and Assistance

Students should refer to the **TIIS Course Progression Policy**, **Completion within the Expected Duration Policy**, **International Students Transfer Policy and Procedure**, and **Deferment, Suspension or Cancellation of Enrolment**.

For further information:

- **Department of Home Affairs:** https://immi.homeaffairs.gov.au/
- **VEVO:** https://immi.homeaffairs.gov.au/visas/already-have-a-visa/check-visa-details-and-conditions/check-conditions-online

5.5 Transport, Community Services and Personal Safety in Sydney and Melbourne

Sydney and Melbourne offer extensive public transport networks, community facilities and essential services to support students living and studying in Australia.

Students are encouraged to familiarise themselves with local transport options, community resources and personal safety practices.

Public Transport in Sydney

TIIS's Sydney campus is located at **13–15 Smail Street, Ultimo NSW 2007**, with access to public transport services.

Sydney's public transport network includes:

- Trains and Sydney Metro services.
- Buses and light rail.
- Ferries connecting selected harbour locations.

Students can use an **Opal card** or an eligible contactless payment method for most public transport journeys.

For routes, fares and travel updates, visit **Transport for NSW:** https://transportnsw.info/

Public Transport in Melbourne

TIIS's Melbourne campus is located at **Level 1, 112 Newquay Promenade, Docklands VIC 3008**.

Melbourne's public transport network includes:

- Trams, including services within the central city.
- Metropolitan trains.
- Buses serving metropolitan and surrounding areas.

Students generally use a **myki card or other supported myki payment method** for travel requiring a fare. Melbourne also operates a Free Tram Zone within designated central areas.

For journey planning and transport information, visit **Public Transport Victoria:** https://www.ptv.vic.gov.au/

Community Services and Facilities

Students in Sydney and Melbourne can access a range of community resources, including:

- Public libraries and community learning centres.
- Local council services and recreational facilities.
- Healthcare and mental health support services.
- Multicultural and community organisations.
- Legal assistance and tenancy advice services.
- Sporting, cultural and social activities.

Useful local government resources include:

- **City of Sydney:** https://www.cityofsydney.nsw.gov.au/
- **City of Melbourne:** https://www.melbourne.vic.gov.au/

Personal Safety

Students are encouraged to:

- Remain aware of their surroundings, particularly when travelling at night.

- Use well-lit public areas and reputable transport services.
- Keep personal belongings, identity documents and banking information secure.
- Avoid sharing sensitive personal information with unknown individuals.
- Be cautious of online scams, fraudulent accommodation advertisements and suspicious employment offers.
- Report threatening behaviour, harassment or other safety concerns promptly.

Students should also familiarise themselves with emergency exits and evacuation procedures at their TIIS campus.

Emergency and Support Services

In an emergency, call **000** for Police, Fire or Ambulance assistance.

Other useful services include:

- **Police Assistance Line:** 131 444 — non-emergency police matters.
- **Lifeline:** 13 11 14 — 24-hour crisis support.
- **Healthdirect:** 1800 022 222 — health information and advice.
- **1800RESPECT:** 1800 737 732 — support relating to domestic, family and sexual violence.

Further Information and Assistance

TIIS Student Services can provide general guidance and refer students to appropriate community services.

- **Sydney Campus:** 13–15 Smail Street, Ultimo NSW 2007
- **Melbourne Campus:** Level 1, 112 Newquay Promenade, Docklands VIC 3008

5.6 Useful Government and Community Resources in Sydney and Melbourne

Students studying at TIIS have access to a range of Australian Government, state government and community services that provide information and assistance with education, employment, accommodation, healthcare, legal rights and personal wellbeing.

Students are encouraged to use official government websites and reputable community organisations when seeking information or assistance.

PART 6 – STUDENT RIGHTS AND RESPONSIBILITIES

6.1 Student Rights and Code of Conduct

TIIS is committed to providing a safe, respectful, inclusive and academically productive environment for all students.

All students are required to comply with the **TIIS Student Code of Conduct**, which establishes standards of behaviour and procedures for addressing alleged misconduct.

Student Rights

Students have the right to:

- Be treated fairly, respectfully and without unlawful discrimination.
- Study in a reasonably safe, inclusive and supportive environment.
- Receive clear information about institutional rules, policies and procedures.
- Express lawful opinions and participate in academic discussions respectfully.
- Access appropriate student support services and reasonable adjustments.
- Be informed of misconduct allegations and given a reasonable opportunity to respond.
- Receive impartial, evidence-based decisions and written reasons for formal disciplinary outcomes.
- Access applicable complaints, review and appeal procedures without retaliation.

Student Responsibilities

Students are expected to:

- Treat fellow students, staff and visitors with dignity and respect.
- Comply with academic integrity requirements and reasonable, lawful directions from authorised staff.
- Participate responsibly in learning activities without disrupting others.
- Respect cultural diversity, individual differences and the rights of others.
- Follow campus safety, security and emergency procedures.
- Use TIIS facilities, equipment, digital systems and learning resources appropriately.
- Protect personal information, confidentiality and intellectual property.
- Behave responsibly when participating in TIIS-related activities, including online learning, placements and external events.

Unacceptable Conduct

Examples of student misconduct include:

- Bullying, harassment, discrimination, intimidation or threatening behaviour.
- Sexual harassment, sexual harm or gender-based violence.
- Violence, theft, property damage or serious safety breaches.
- Fraud, impersonation, falsification of records or misuse of information.
- Unauthorised access to institutional systems or misuse of digital resources.
- Serious or repeated disruption of teaching and learning activities.
- Retaliation against individuals who report concerns or participate in investigations.

Reasonable disagreement, lawful expression of opinion and good-faith complaints do not constitute misconduct merely because others disagree.

Reporting and Disciplinary Procedures

Students may report conduct concerns to the Academic Dean, Registrar, Student Services, Campus Manager or another authorised TIIS officer.

TIIS will assess allegations fairly and proportionately. Students subject to formal allegations will ordinarily receive written notification, an opportunity to respond and information about available support.

Where misconduct is established, disciplinary outcomes may include warnings, corrective actions, behavioural conditions, access restrictions, suspension or cancellation of enrolment, depending on the seriousness of the matter and applicable requirements.

Students may seek a review or appeal under TIIS's complaints and appeals procedures.

For international students, any suspension or cancellation of enrolment must comply with applicable ESOS requirements and procedural safeguards.

Scope and Further Information

The Code applies to conduct on campus, in online learning environments, during TIIS-related activities and in other circumstances sufficiently connected with TIIS.

Students should read the full **TIIS Student Code of Conduct v3.0** and related policies.

6.2 Equal Opportunity and Anti-Discrimination

TIIS is committed to providing an inclusive, equitable and respectful learning environment where all students have equal opportunities to participate in education and achieve their academic potential.

TIIS does not tolerate unlawful discrimination, harassment, bullying or victimisation and promotes diversity, fairness and mutual respect across its Sydney and Melbourne campuses and online learning environments.

Equal Opportunity and Inclusion

TIIS is committed to:

- Providing fair and equitable access to education, facilities and student support services.
- Respecting cultural, linguistic, religious and individual diversity.
- Supporting students with disabilities through reasonable adjustments.
- Promoting inclusive teaching, learning and assessment practices.
- Ensuring that academic and administrative decisions are fair, transparent and based on relevant criteria.
- Providing appropriate mechanisms for reporting discrimination and harassment.

Unlawful Discrimination and Harassment

Students must not engage in unlawful discrimination, harassment or victimisation based on protected personal characteristics, including race, sex, disability, age, religion or other characteristics protected under applicable legislation.

Unacceptable conduct may include:

- Offensive, intimidating or humiliating behaviour.
- Discriminatory comments, actions or exclusion.
- Bullying or harassment in classrooms, online environments or TIIS-related activities.
- Unfair treatment or retaliation against individuals who raise concerns in good faith.

Student Rights and Responsibilities

Students have the right to participate in their studies without unlawful discrimination or harassment.

All students are responsible for treating others respectfully, recognising diversity and complying with the **TIIS Student Code of Conduct**.

Reporting Discrimination or Harassment

Students who experience or witness discrimination, harassment or bullying are encouraged to report their concerns to Student Services, the Registrar or another authorised TIIS officer.

TIIS will manage reports fairly, sensitively and confidentially to the extent practicable and permitted by law.

Students may access the applicable complaints and appeals procedures. Retaliation against individuals who raise concerns in good faith is prohibited.

Relevant Legislation and Policies

TIIS operates in accordance with applicable Australian legislation, including:

- *Racial Discrimination Act 1975*
- *Sex Discrimination Act 1984*
- *Disability Discrimination Act 1992*
- *Age Discrimination Act 2004*
- *Disability Standards for Education 2005*
- Relevant New South Wales and Victorian anti-discrimination legislation.

Students should refer to the **TIIS Diversity and Equity Policy**, **Student Code of Conduct** and **Students Complaint and Grievance Policy**.

Further Information and Assistance

- **Student Services:** info@tiis.edu.au
- **Australian Human Rights Commission:** https://humanrights.gov.au/

6.3 Prevention of Harassment, Gender-Based Violence and Sexual Harm

TIIS is committed to providing a safe, respectful and inclusive learning environment where harassment, gender-based violence and sexual harm are not tolerated.

TIIS promotes prevention, early intervention, accessible reporting and appropriate support for affected students, in accordance with applicable legislation and institutional policies.

Unacceptable Conduct

Prohibited conduct includes:

- **Sexual Harassment:** Unwelcome conduct of a sexual nature that could reasonably cause offence, humiliation or intimidation.
- **Sexual Assault or Sexual Harm:** Non-consensual sexual activity or other conduct involving sexual harm.

- **Gender-Based Violence:** Harmful behaviour directed at a person because of their sex, gender or related characteristics.
- **Bullying and Harassment:** Repeated or serious intimidating, threatening, humiliating or abusive behaviour.
- **Stalking and Coercive Behaviour:** Unwanted monitoring, threats, controlling behaviour or intimidation.
- **Online Harassment:** Sexual harassment, threats or abuse through digital platforms, messaging or social media.

These standards apply to TIIS campuses, online learning environments, institutional activities and other conduct sufficiently connected with TIIS.

Prevention and Awareness

TIIS promotes respectful relationships, personal safety, informed consent and appropriate professional behaviour through student orientation, communication and awareness activities.

All students are expected to respect personal boundaries, obtain consent where required and refrain from conduct that threatens another person's safety or dignity.

Reporting and Disclosure

Students who experience or witness harassment, gender-based violence or sexual harm may contact Student Services, the Registrar or another authorised TIIS officer.

Students may seek support without being required to make a formal complaint. TIIS will explain available reporting options, support arrangements and any limits to confidentiality.

Reports will be handled sensitively, with appropriate consideration of the affected person's safety, privacy, preferences and wellbeing.

Support and Protective Measures

Depending on individual circumstances, TIIS may provide or facilitate:

- Confidential guidance and referral to specialist counselling or medical services.
- Academic adjustments or alternative learning arrangements.
- Appropriate safety planning and temporary protective measures.
- Information about internal complaints procedures and external reporting options.
- Assistance in contacting relevant support services or emergency authorities.

TIIS will assess allegations fairly and apply procedural fairness to any disciplinary investigation. Retaliation against individuals who make reports or seek assistance in good faith is prohibited.

Emergency and External Support

Students in immediate danger should call **000** for Police or Ambulance assistance.

Other support services include:

- **1800RESPECT:** 1800 737 732 — domestic, family and sexual violence support.
- **Lifeline:** 13 11 14 — 24-hour crisis support.
- **Police Assistance Line:** 131 444 — non-emergency police assistance.

Further Information and Assistance

Students should refer to the **TIIS Sexual Harm Prevention and Response Policy**, **Gender-Based Violence Prevention and Response Policy**, **Student Code of Conduct** and applicable complaints procedures.

6.4 Privacy and Data Protection at TIIS

TIIS is committed to protecting students' personal information and maintaining appropriate standards of privacy, confidentiality and information security.

TIIS manages personal information in accordance with the *Privacy Act 1988 (Cth)*, the Australian Privacy Principles where applicable, and relevant education and regulatory requirements.

Collection and Use of Personal Information

TIIS collects personal information reasonably necessary for student admission, enrolment, education delivery and institutional administration.

This may include:

- Personal identification and contact details.
- Academic qualifications, enrolment records and assessment results.
- Visa, passport and Confirmation of Enrolment (CoE) information, where applicable.
- Tuition fee and payment records.
- Information required to provide student support or reasonable adjustments.
- Information required for regulatory reporting and compliance.

TIIS uses personal information for legitimate educational, administrative, student support and regulatory purposes.

Disclosure of Personal Information

TIIS may disclose relevant personal information to authorised parties where required or permitted by law, including:

- Australian Government departments and regulatory authorities.
- TEQSA and other relevant education agencies.
- The Department of Home Affairs and the Department of Education, where applicable.
- Authorised service providers supporting TIIS operations.

- Other parties where the student has provided valid consent or disclosure is otherwise legally authorised.

TIIS will not disclose personal information for unrelated purposes without an appropriate legal basis.

Information Security and Confidentiality

TIIS applies appropriate administrative, technical and organisational measures to protect personal information against unauthorised access, misuse, interference, loss or disclosure.

Access to student records is restricted to authorised personnel according to their responsibilities.

Students must also protect their personal information and must not share passwords or access another person's records without authorisation.

Access, Correction and Student Responsibilities

Students may request access to, or correction of, their personal information in accordance with applicable privacy requirements.

Students are responsible for:

- Keeping their contact and enrolment details accurate and up to date.
- Protecting their student account credentials.
- Using TIIS digital systems responsibly.
- Respecting the privacy and confidentiality of other students and staff.

Privacy Concerns and Complaints

Students who have concerns about the collection, use, disclosure or security of their personal information should contact TIIS.

Privacy concerns will be reviewed in accordance with the **TIIS Privacy Policy** and applicable complaints procedures.

Where appropriate, students may also seek information or lodge a complaint with the **Office of the Australian Information Commissioner (OAIC)**.

Further Information and Assistance

Students should refer to the **TIIS Privacy Policy**, **IT Resources and Learning Systems Policy** and **Learning Management System (LMS) Data Policy**.

- **Student Services:** info@tiis.edu.au
- **Office of the Australian Information Commissioner:** https://www.oaic.gov.au/

6.5 Responsible Use of IT and Digital Resources at TIIS

TIIS provides information technology systems and digital learning resources to support teaching, learning, research and student administration.

Students are responsible for using these resources lawfully, ethically and securely in accordance with the **TIIS IT Resources and Learning Systems Policy**, **Privacy Policy** and relevant academic requirements.

Access to IT and Digital Resources

Students may be provided with access to:

- The Learning Management System (LMS).
- Student email and online communication platforms.
- Campus computers, internet and wireless networks.
- Electronic library resources and academic databases.
- Other authorised software and digital learning tools.

Access is provided for legitimate educational and institutional purposes and may be subject to specific conditions.

Acceptable Use and Student Responsibilities

Students must:

- Use TIIS systems and resources responsibly and for authorised purposes.
- Keep usernames, passwords and account credentials confidential.
- Respect copyright, intellectual property and software licensing requirements.
- Protect personal information and the privacy of others.
- Follow cybersecurity instructions and report suspected security incidents.
- Comply with academic integrity requirements when using digital tools, including generative artificial intelligence (AI).

Prohibited Activities

Students must not:

- Access another person's account or confidential information without authorisation.
- Attempt to bypass security controls or interfere with TIIS networks and systems.
- Download, distribute or access unlawful or harmful material.
- Engage in cyberbullying, harassment, threats or discriminatory behaviour online.
- Install unauthorised software or introduce malicious programs.
- Copy, distribute or misuse copyrighted learning materials without permission.
- Use AI-generated content in ways that breach assessment instructions or academic integrity requirements.

Responsible Use of Artificial Intelligence

Students may use AI tools for learning and research only where permitted by TIIS and the relevant assessment requirements.

Students remain responsible for the accuracy, originality and integrity of submitted work and must acknowledge AI assistance where required.

Confidential information, personal data and restricted TIIS materials must not be entered into unauthorised AI platforms.

Information Security and Monitoring

TIIS may undertake lawful and proportionate monitoring of institutional systems to maintain security, investigate suspected misuse and meet regulatory obligations.

Any monitoring and handling of personal information must comply with applicable privacy requirements.

Breaches of IT requirements may result in restricted system access or disciplinary action under the **TIIS Student Code of Conduct**.

Further Information and Assistance

Students should refer to the **TIIS IT Resources and Learning Systems Policy**, **Digital Curriculum & Online Learning Policy**, **Learning Management System (LMS) Data Policy** and **Privacy Policy**.

For technical assistance or to report IT security concerns, contact:

- **IT Support:** itsupport@tiis.edu.au
- **Student Services:** info@tiis.edu.au

6.6 Student Complaints, Grievances and Appeals at TIIS

TIIS provides a fair, accessible, confidential and transparent process for resolving academic and non-academic complaints, grievances and appeals. Students may raise concerns without fear of discrimination, victimisation or retaliation.

Step 1 – Informal Resolution

Students are encouraged to discuss concerns with the relevant staff member, Program Coordinator or Student Services, preferably within **10 working days** of the issue arising.

Informal resolution is not compulsory where it is inappropriate, unsafe or ineffective.

Step 2 – Formal Complaint

If the matter remains unresolved, students may:

1. Complete the **Student Complaint and Grievance Form**, available through TIIS Student Services, the website or Learning Management System (LMS); or
2. Submit a written complaint directly to the **Registrar or designated Student Services Officer**.

The complaint should explain the issue, identify the desired outcome and include relevant supporting documents.

TIIS will:

- Acknowledge the complaint within **5 working days**.
- Commence assessment within **10 working days**.
- Arrange an impartial investigation and provide an opportunity for the student to present their case.
- Aim to provide a written decision, including reasons and appeal rights, within **20 working days**.

Students will be informed if additional time is required.

Step 3 – Internal Appeal

Students dissatisfied with the outcome may lodge a written appeal within **10 working days** of receiving the decision.

- **Academic matters:** Address the appeal to the Academic Board Chair.
- **Non-academic matters:** Submit the appeal to the Registrar for independent review.

An independent Appeals Panel will review the matter and aim to issue a written decision within **15 working days**, where practicable.

Step 4 – External Complaint or Appeal

Students dissatisfied after the internal process may seek independent external review.

The **National Student Ombudsman (NSO)** is the principal external complaints body for TIIS higher education students, including international students. Students may also contact the NSO directly where appropriate.

National Student Ombudsman

- Website: https://www.nso.gov.au
- Lodge a complaint: https://www.nso.gov.au/complaints
- Telephone: **1300 395 775**

The NSO considers eligible complaints concerning higher education providers, including administrative decisions, student services, complaint handling and procedural fairness.

Student Rights and Support

TIIS's internal complaints and appeals processes are free of charge. Students may seek assistance from Student Services, request reasonable accessibility adjustments and be accompanied by a support person.

TIIS will maintain international students' enrolment during complaints and appeals where required by the ESOS framework, subject to applicable legal exceptions.

Further Information and Assistance

Students at either the Sydney or Melbourne campus may contact Student Services or the Registrar through their campus or email info@tiis.edu.au.

For full procedures, forms and applicable timeframes, refer to the **Students Complaint and Grievance Policy and Procedure** on the TIIS website or LMS.

6.7 Student Health and Safety Responsibilities

TIIS is committed to providing a safe, healthy and supportive learning environment for all students, staff and visitors across its Sydney and Melbourne campuses and online learning activities.

Students share responsibility for maintaining a safe learning environment and must comply with reasonable health and safety instructions, applicable legislation and TIIS policies.

Student Health and Safety Responsibilities

All students are expected to:

- Take reasonable care of their own health and safety and avoid placing others at risk.
- Follow campus safety procedures, emergency instructions and authorised staff directions.
- Use classrooms, equipment, facilities and learning resources safely.
- Report hazards, accidents, injuries, unsafe conditions and concerning behaviour promptly.
- Respect the safety, wellbeing and personal boundaries of others.
- Participate in required safety briefings, training and emergency evacuation procedures.
- Avoid attending campus while affected by alcohol, drugs or other substances in a manner that creates a safety risk.

Reporting Hazards and Incidents

Students should promptly report health and safety concerns to Student Services, the Campus Manager or an authorised TIIS staff member.

Reportable concerns may include:

- Accidents, injuries or medical emergencies.
- Unsafe equipment, damaged facilities or environmental hazards.
- Fire risks, blocked emergency exits or other security concerns.
- Threatening behaviour, violence, harassment or other risks to personal safety.
- Psychological hazards or serious wellbeing concerns affecting the learning environment.

TIIS will assess reported concerns and take appropriate action in accordance with its safety and incident management procedures.

Emergency Procedures

In an emergency, students must:

1. Follow instructions from emergency wardens and authorised personnel.
2. Evacuate buildings when directed, using designated emergency exits.
3. Proceed to the nominated assembly area and remain there until further instructions are provided.
4. Avoid re-entering buildings until authorised.
5. Contact emergency services where necessary.

For emergencies involving immediate danger, serious injury, fire or threats to personal safety, call **000** for Police, Fire or Ambulance assistance.

Health, Wellbeing and Psychological Safety

Students are encouraged to seek assistance when experiencing health, mental health or personal difficulties that may affect their safety or studies.

TIIS aims to maintain a respectful learning environment that supports psychological wellbeing and reduces risks associated with bullying, harassment, discrimination and gender-based violence.

Students should raise concerns early and seek assistance through Student Services or appropriate external support providers.

Work Placements and Off-Campus Activities

Where students participate in approved work placements, excursions or other TIIS-related activities, they must follow applicable safety requirements and the reasonable instructions of authorised supervisors.

Students should report any safety concerns arising during these activities to the relevant supervisor and TIIS.

Relevant Policies and Further Information

Students should refer to the current:

- **TIIS Work, Health & Safety Policy**
- **Student Safety and Security Procedure**
- **Critical Incident Management Policy**
- **Student Support & Wellbeing Policy**
- **Student Code of Conduct**

PART 7 – LEGISLATIVE AND REGULATORY REQUIREMENTS

7.1 Higher Education Standards Framework and TEQSA

TIIS operates under Australia's higher education regulatory framework, which ensures educational quality, academic standards and student protection.

Higher Education Standards Framework (HESF)

The *Higher Education Standards Framework (Threshold Standards) 2021* establishes the minimum standards for Australian higher education providers.

The HESF covers:

- Student admission, progression, assessment and support.
- Teaching quality, course design and learning outcomes.
- Student wellbeing, safety and equitable access.
- Academic quality assurance and continuous improvement.
- Institutional governance, accountability and risk management.
- Accurate student information and secure records management.

TIIS is responsible for maintaining compliance with all applicable standards.

Tertiary Education Quality and Standards Agency (TEQSA)

TEQSA is Australia's independent higher education regulator. It registers providers, accredits courses where required, monitors compliance and takes regulatory action where necessary.

TIIS Registration Details

- **Provider: The Institute of International Studies Pty Ltd**
- **TEQSA Registration Number: PRV14085**
- **CRICOS Provider Code: 03705J**

What This Means for Students

The regulatory framework supports students' rights to:

- Receive education meeting recognised Australian standards.
- Access accurate course information and appropriate support services.
- Receive fair assessment and academic progression decisions.
- Access complaints and appeals procedures.
- Participate in student feedback and quality improvement activities.

Students are also responsible for meeting academic requirements and complying with TIIS policies.

Further Information

- **TEQSA:** https://www.teqsa.gov.au/
- **TEQSA National Register:** https://www.teqsa.gov.au/national-register
- **TIIS:** https://www.tiis.edu.au/
- **Student Enquiries:** info@tiis.edu.au

Students should consult the TEQSA National Register for current registration and course accreditation information.

7.2 ESOS Act and National Code 2018

TIIS complies with Australia's Education Services for Overseas Students Act 2000 (ESOS Act) and the National Code of Practice for Providers of Education and Training to Overseas Students 2018 (National Code 2018).

These requirements protect international students studying in Australia on student visas and establish standards for education providers registered under CRICOS.

Key Student Protections

The ESOS framework requires TIIS to:

- Provide accurate information about courses, tuition fees, entry requirements and student obligations.

- Maintain written agreements and appropriate tuition fee protection arrangements.
- Deliver registered courses and monitor student academic progress.
- Provide orientation, student support and access to complaints and appeals processes.
- Manage enrolment transfers, deferrals, suspensions and cancellations in accordance with regulatory requirements.
- Maintain accurate enrolment records and fulfil government reporting obligations.

International Student Responsibilities

International students must:

- Maintain a valid student visa and comply with applicable visa conditions.
- Remain enrolled and meet course progress requirements.
- Maintain Overseas Student Health Cover (OSHC) as required.
- Notify TIIS of their Australian residential address, mobile number and email address within seven days of arrival and advise TIIS of changes within seven days.
- Comply with applicable employment restrictions and enrolment requirements.

Tuition Protection and Student Rights

The ESOS framework includes tuition protection arrangements for eligible international students where a registered provider cannot deliver an agreed course.

Students also have access to internal complaints and appeals processes and, where applicable, independent external review.

Further Information

- **Department of Education – ESOS:** https://www.education.gov.au/esos-framework
- **Department of Home Affairs:** https://www.homeaffairs.gov.au/
- **TIIS:** https://www.tiis.edu.au/
- **Student Enquiries:** info@tiis.edu.au

Students should consult official government information for current visa conditions and regulatory requirements.

7.3 Copyright and Intellectual Property

TIIS respects copyright and intellectual property rights and requires students to use educational materials lawfully and ethically, in accordance with the *Copyright Act 1968 (Cth)* and applicable TIIS policies.

Copyright Requirements

Copyright protects original works, including books, articles, images, videos, software, music and digital learning materials.

Students must:

- Acknowledge sources and use appropriate academic referencing.
- Obtain permission where required to reproduce or distribute copyrighted materials.
- Use library resources, software and online materials in accordance with licensing conditions.
- Respect copyright restrictions when downloading, copying or sharing learning resources.
- Comply with applicable copyright requirements when using artificial intelligence (AI) tools.

Limited copying or use of copyrighted material may be permitted under statutory exceptions or educational licences. Such permissions are subject to specific conditions.

Intellectual Property and Student Work

Students generally retain intellectual property rights in their original academic work, subject to applicable laws, agreements and TIIS policies.

Students must respect the intellectual property rights of TIIS, lecturers, other students and external organisations.

Academic Integrity

Students must not present another person's work, ideas or AI-generated content as their own in breach of academic integrity requirements.

Plagiarism, unauthorised collaboration and improper use of copyrighted materials may result in academic misconduct proceedings.

Further Information

Students should refer to the **TIIS policy titled "Student Academic Integrity and Honesty"**, **IT Resources and Learning Systems Policy** and applicable library guidelines.

- **Australian Copyright Council:** https://www.copyright.org.au/

7.4 Work Health and Safety Legislation

TIIS is committed to providing a safe and healthy learning environment in accordance with applicable Australian Work Health and Safety (WHS) legislation.

The principal legislation includes:

- **New South Wales:** *Work Health and Safety Act 2011* and *Work Health and Safety Regulation 2017*.
- **Victoria:** *Occupational Health and Safety Act 2004* and *Occupational Health and Safety Regulations 2017*.

TIIS Health and Safety Responsibilities

TIIS takes reasonably practicable measures to:

- Maintain safe campuses, facilities and learning environments.
- Identify and manage physical and psychosocial health and safety risks.
- Provide appropriate emergency procedures and safety information.
- Maintain arrangements for reporting and responding to hazards, incidents and emergencies.
- Promote student wellbeing and a respectful learning environment.

Student Responsibilities

Students are expected to:

- Take reasonable care of their own health and safety and that of others.
- Follow campus safety instructions and emergency procedures.
- Use equipment and facilities responsibly.
- Report hazards, accidents, injuries and unsafe conditions promptly.
- Avoid behaviour that endangers others or disrupts campus safety.

Emergency and Incident Reporting

Students should immediately report safety concerns to Student Services, the Campus Manager or an authorised TIIS staff member.

In emergencies involving serious injury, fire or immediate danger, call **000** and follow campus evacuation instructions.

Further Information

Students should refer to the **TIIS Work, Health & Safety Policy**, **Student Safety and Security Procedure** and **Critical Incident Management Policy**.

- **SafeWork NSW:** https://www.safework.nsw.gov.au/
- **WorkSafe Victoria:** https://www.worksafe.vic.gov.au/

7.5 Anti-Discrimination and Disability Legislation

TIIS is committed to providing an inclusive, equitable and accessible learning environment in accordance with Australian anti-discrimination and disability legislation.

Relevant Legislation

The principal Commonwealth legislation includes:

- *Racial Discrimination Act 1975*
- *Sex Discrimination Act 1984*
- *Disability Discrimination Act 1992*

- *Age Discrimination Act 2004*
- *Disability Standards for Education 2005*

Relevant state legislation includes the *Anti-Discrimination Act 1977 (NSW)* and the *Equal Opportunity Act 2010 (Victoria)*.

Equal Opportunity and Student Rights

TIIS promotes equal access to education and prohibits unlawful discrimination, harassment and victimisation.

Students have the right to:

- Be treated fairly and respectfully regardless of protected personal characteristics.
- Access educational opportunities without unlawful discrimination.
- Study in an environment free from harassment and bullying.
- Raise concerns through appropriate complaints and appeals procedures.

Disability Support and Reasonable Adjustments

Under the *Disability Discrimination Act 1992* and *Disability Standards for Education 2005*, TIIS must meet applicable obligations concerning students with disabilities.

TIIS will consult with eligible students to identify reasonable adjustments that support participation in learning and assessment while maintaining essential academic requirements.

Adjustments may include accessible learning materials, modified assessment arrangements or other appropriate support measures, depending on individual circumstances.

Student Responsibilities

Students must respect diversity, avoid discriminatory behaviour and comply with the **TIIS Student Code of Conduct**.

Students requiring disability-related adjustments are encouraged to contact Student Services as early as possible.

Further Information

Students should refer to the **TIIS Diversity and Equity Policy**, **Student Support & Wellbeing Policy** and **Student Code of Conduct**.

- **Australian Human Rights Commission:** https://humanrights.gov.au/

7.6 Privacy and Employment Legislation

TIIS is committed to protecting students' personal information and promoting awareness of employment rights and responsibilities under Australian legislation.

Privacy Legislation

The *Privacy Act 1988 (Cth)* and the Australian Privacy Principles, where applicable, regulate the collection, use, disclosure and protection of personal information.

TIIS manages student information in accordance with applicable privacy requirements, including:

- Collecting information for legitimate educational, administrative and regulatory purposes.
- Protecting student records against unauthorised access, misuse or disclosure.
- Providing access to and correction of personal information in accordance with legal requirements.
- Disclosing information to government authorities where required or authorised by law.

Students must also respect the privacy of others and use TIIS information systems responsibly.

Employment Legislation

The *Fair Work Act 2009 (Cth)* establishes workplace rights and minimum employment standards for employees in Australia, including international students.

Students undertaking paid employment are generally entitled to:

- Applicable minimum wages and lawful employment conditions.
- Appropriate leave entitlements and workplace protections.
- A workplace free from unlawful discrimination and harassment.
- Protection against unlawful workplace exploitation.
- Access to assistance from the Fair Work Ombudsman.

International students must also comply with the work restrictions attached to their student visas.

Student Responsibilities

Students are encouraged to understand their employment rights, check their visa conditions and maintain appropriate employment records.

Employment must not interfere with academic progress or compliance with enrolment requirements.

Further Information

Students should refer to the **TIIS Privacy Policy**, **Student Code of Conduct** and relevant student support information.

- **Office of the Australian Information Commissioner:** https://www.oaic.gov.au/
- **Fair Work Ombudsman:** https://www.fairwork.gov.au/
- **Department of Home Affairs:** https://www.homeaffairs.gov.au/

7.7 Legislative and Regulatory Updates

TIIS is committed to maintaining compliance with applicable Australian legislation, regulatory standards and government requirements affecting higher education and international students.

Monitoring Regulatory Changes

TIIS monitors relevant legislative and regulatory developments, including changes to:

- The Higher Education Standards Framework (HESF) and TEQSA requirements.
- The ESOS Act, National Code 2018 and CRICOS obligations.
- Student visa conditions and international student requirements.
- Privacy, anti-discrimination, disability and workplace safety legislation.
- Student protection, academic integrity and institutional governance requirements.

Updating TIIS Policies and Procedures

Where legislative or regulatory changes affect institutional operations or student obligations, TIIS will review and update relevant policies, procedures and student information.

Changes requiring student action will be communicated through appropriate channels, including student email, the Learning Management System (LMS), orientation activities and the TIIS website.

Student Responsibilities

Students are responsible for:

- Reading official TIIS communications and policy updates.
- Following current academic, enrolment and administrative requirements.
- Keeping their contact details up to date.
- Checking official government sources for current visa and employment conditions.
- Seeking clarification from Student Services when requirements are unclear.

Access to Current Information

The latest applicable legislation and regulatory requirements take precedence over outdated information in this Handbook.

Students should consult current TIIS policies and official government publications for authoritative information.

PART 8 – TIIS POLICIES AND USEFUL INFORMATION

8.1 Overview of TIIS Policies and Procedures

TIIS maintains a comprehensive framework of policies and procedures to support academic quality, student wellbeing, institutional governance and compliance with Australian higher education requirements.

These policies establish clear expectations for students and staff and promote fairness, transparency, accountability and continuous improvement.

Purpose of TIIS Policies

TIIS policies and procedures are designed to:

- Protect student rights, safety and wellbeing.
- Maintain academic standards and assessment integrity.
- Establish fair and consistent administrative processes.
- Support equitable access to education and student services.

- Ensure compliance with applicable legislation and regulatory standards.
- Provide clear processes for complaints, appeals and resolving concerns.

Key Policy Areas

TIIS policies cover the following areas:

- **Admissions and Enrolment:** Entry requirements, credit recognition, tuition fees, refunds and enrolment changes.
- **Academic Matters:** Teaching, assessment, academic integrity, course progression and graduation.
- **Student Support and Wellbeing:** Orientation, academic assistance, accessibility, health and safety.
- **Student Rights and Responsibilities:** Student conduct, diversity, equity, privacy and complaints.
- **Digital Learning and Information Management:** Responsible technology use, online learning and information security.
- **Governance and Compliance:** Quality assurance, risk management and regulatory obligations.

Student Responsibilities

Students are expected to familiarise themselves with policies relevant to their studies, comply with applicable requirements and seek clarification when necessary.

Policy Review and Updates

TIIS reviews and updates its policies periodically and when required by legislative, regulatory or institutional changes.

Approved policy amendments will be communicated to students where relevant.

Access to Policies

Current TIIS policies and procedures are available through official institutional communication channels and designated student information resources.

Students should refer to the latest approved policy versions where information in this Handbook differs from a current policy.

Further Information

- **TIIS Website:** https://www.tiis.edu.au/

8.5 Accessing Current Policies and Student Information

TIIS provides students with access to relevant policies, procedures and institutional information to support informed decision-making and compliance with academic and administrative requirements.

Access to TIIS Policies and Procedures

Students can obtain current policies and procedures through:

- The TIIS website and designated student information resources.
- The Learning Management System (LMS), where relevant documents are made available.
- Student Services or the Registrar, upon request.
- Official TIIS communications, including student emails and announcements.

Students should refer to the latest approved version of each policy, including any applicable amendments.

Student Information and Updates

TIIS communicates important information concerning:

- Academic calendars, timetables and assessment requirements.
- Enrolment, tuition fees and administrative arrangements.
- Student support services and campus facilities.
- Changes to institutional policies and procedures.
- Regulatory requirements affecting students.

Students are responsible for regularly checking their TIIS email, LMS announcements and other official communication channels.

Policy Clarification and Assistance

Students who require assistance understanding a policy or procedure may contact Student Services, the Registrar or the relevant academic staff member.

Where a policy is updated, TIIS will communicate changes affecting students through appropriate institutional channels.

External service contact details may change. Students are encouraged to check the relevant organisation's official website for current information.

Appendix A – Academic Calendar and Important Dates

The TIIS Academic Calendar provides important information about teaching periods, enrolment deadlines, assessment schedules, academic breaks and graduation arrangements.

Students are responsible for reviewing the Academic Calendar and planning their studies in accordance with published dates and course requirements.

A.1 Academic Calendar

The official TIIS Academic Calendar identifies the key dates for each teaching period, including:

- Orientation and commencement of classes.
- Enrolment and subject registration deadlines.
- Census dates and applicable withdrawal deadlines.

- Teaching periods and scheduled academic breaks.
- Assessment and examination periods.
- Release of academic results.
- Graduation and award conferral arrangements.

A.2 Important Academic Dates

Academic Activity	Date or Reference
Student Orientation	Refer to the current TIIS Academic Calendar
Commencement of Classes	Refer to the relevant teaching period
Enrolment and Subject Registration Deadline	As officially published by TIIS
Census Date	Refer to the applicable teaching period
Last Date to Withdraw Without Academic Penalty	As officially published by TIIS
Assessment and Examination Period	Refer to unit outlines and the Academic Calendar
Release of Results	As officially published by TIIS
Academic Breaks and Public Holidays	Refer to the relevant campus calendar
Graduation and Award Conferral	As officially announced by TIIS

A.3 Student Responsibilities

Students must:

- Enrol in subjects within the applicable deadlines.
- Attend orientation and scheduled learning activities.
- Submit assessments by the dates specified in unit outlines.
- Monitor academic progress and meet course completion requirements.
- Check their TIIS email and Learning Management System (LMS) for timetable changes and important announcements.
- Seek advice promptly if personal circumstances may affect enrolment, attendance or assessment.

International students must also ensure their study arrangements comply with applicable student visa conditions and course progression requirements.

A.4 Changes to Academic Dates

TIIS may amend academic dates where necessary due to operational, academic or regulatory requirements.

Students will be informed of relevant changes through official TIIS communication channels.

A.5 Access to the Current Academic Calendar

The latest approved Academic Calendar is available through TIIS's official student information channels.

- **TIIS Website:** https://www.tiis.edu.au/
- **Student Services:** info@tiis.edu.au
- **Sydney and Melbourne Campus Enquiries:** 1300 164 600

Important Note: This Appendix provides a general reference only. Students must consult the official Academic Calendar for the relevant academic year and teaching period. Published dates, particularly census dates and withdrawal deadlines, take precedence over general information in this Handbook.

Appendix B: Student Complaints and Appeals Process at TIIS

TIIS is committed to resolving student complaints and appeals fairly, transparently and promptly, in accordance with the **Students Complaint and Grievance Policy** and applicable regulatory requirements.

Students may raise concerns about academic decisions, enrolment, fees, student services, discrimination, harassment, disciplinary matters or other aspects of their educational experience.

1. Informal Resolution

Students are encouraged, where appropriate, to discuss concerns with the relevant lecturer, Course Coordinator, Registrar or Student Services.

Where the matter cannot be resolved informally, or informal resolution is inappropriate, students may proceed directly to a formal complaint.

2. Formal Complaint

Students may submit a written complaint to TIIS through the process specified in the current Students Complaint and Grievance Policy.

The complaint should include:

- The nature and circumstances of the concern.
- Relevant dates, events and supporting evidence.
- Any previous attempts to resolve the matter.
- The outcome or resolution sought.

TIIS will acknowledge the complaint, assess the issues and arrange an impartial review or investigation as appropriate.

3. Investigation and Written Outcome

TIIS will consider relevant evidence, provide affected parties with procedural fairness and communicate the outcome in writing.

The written decision will explain the outcome, relevant reasons and any available appeal options.

4. Internal Appeal

Students dissatisfied with an eligible decision may request an internal appeal in accordance with the applicable TIIS procedures and timeframes.

The appeal will be considered by an authorised person or body with appropriate independence from the original decision-making process.

5. External Review

Where internal processes do not resolve the matter, students may access an appropriate independent external complaints or appeals mechanism.

Eligible international students may contact the **Commonwealth Ombudsman**, which handles certain complaints about private education providers.

6. Student Rights and Protections

Throughout the complaints and appeals process, students are entitled to:

- Fair and impartial consideration of their concerns.
- A reasonable opportunity to present relevant information.
- Appropriate confidentiality and protection from retaliation.
- Access to support or representation in accordance with TIIS procedures.
- Written notification of decisions and available review options.

For international students, TIIS will apply the relevant safeguards under **Standard 10 of the National Code 2018**, including applicable requirements concerning enrolment decisions and external appeals.

Student Complaints and Appeals Process – Summary

Stage	Process
1. Informal Resolution	Discuss the concern with the relevant staff member, where appropriate.
2. Formal Complaint	Submit a written complaint with relevant supporting information.
3. Investigation and Decision	TIIS reviews the matter and provides a written outcome.
4. Internal Appeal	Request an internal review where permitted under TIIS procedures.
5. External Review	Seek independent external review where applicable.

Further Information and Assistance

Students should consult the current **TIIS Students Complaint and Grievance Policy** for the formal submission process, applicable timeframes and appeal arrangements.

- **TIIS Student Services:** info@tiis.edu.au
- **TIIS Website:** https://www.tiis.edu.au/
- **Commonwealth Ombudsman:** https://www.ombudsman.gov.au/

C.8 Student Responsibilities and Important Notes

Students should:

- Familiarise themselves with campus emergency exits, evacuation procedures and assembly points.
- Report hazards, accidents, threatening behaviour or safety concerns promptly.
- Keep their contact and emergency contact information up to date with TIIS.
- Seek appropriate medical, counselling or other professional assistance when required.
- Contact Student Services if they need help identifying suitable support services.

Important: TIIS contact details and external service information may change. Students should consult official websites for current information. For immediate threats to life or safety, always call **000** rather than waiting for a response from TIIS.

Important Note

This reference list is intended as a student guide and is not an exhaustive register of all TIIS policies. The official **TIIS Policy and Procedure Master List** and the latest approved policy documents should be consulted for authoritative titles, version numbers, approval dates and review schedules. Where

this Handbook differs from an approved policy or applicable legislation, the current approved policy and relevant legal requirements take precedence.

Student Declaration and Acknowledgement

I acknowledge and confirm that:

1. I have received or been provided access to the **TIIS Student Handbook** and have been informed where to access its current approved version.

2. I have been given the opportunity to read and understand the information contained in the Handbook, including my rights, responsibilities and obligations as a TIIS student.
3. I understand that TIIS policies and procedures, academic requirements, assessment arrangements, student support services and other important information are available through the TIIS website, Learning Management System (LMS) and relevant course documents.
4. I understand my responsibility to familiarise myself with applicable TIIS policies and procedures and comply with their requirements throughout my enrolment.
5. I understand the procedures for raising complaints and appeals, including my right to seek independent external assistance through the **National Student Ombudsman**, where applicable.
6. I have been informed about the academic, administrative and wellbeing support services available to students at my campus and how to access assistance.
7. I understand that I may contact TIIS Student Services or the Registrar if I require clarification, support or further information.

I acknowledge that TIIS may update the Student Handbook and related policies and procedures to reflect legislative, regulatory or institutional changes. Current approved versions will be made available through official TIIS communication channels.

The TIIS Student Handbook is subject to **annual Academic Board and BOD oversight** to ensure its continued accuracy, relevance and consistency with academic standards, student rights and responsibilities, institutional policies and applicable regulatory requirements.

The Registrar is responsible for coordinating the Handbook's preparation, maintenance, review and updating, in consultation with relevant academic and administrative officers.

The Handbook must also be reviewed whenever significant legislative, regulatory, academic or institutional changes affect its content.

Material amendments must be considered and approved by the appropriate authority in accordance with the TIIS Governance Charter and Delegations of Authority.

Disclaimer

For Today | For Tomorrow

The TIIS Student Handbook is provided for general information and guidance to assist students in understanding their studies, rights, responsibilities and available support services.

While TIIS makes reasonable efforts to ensure the information is accurate and current, legislative requirements, institutional policies, academic arrangements and student services may change from time to time.

Students should refer to the latest approved TIIS policies and procedures, their written agreements and official institutional communications for current requirements. Where inconsistencies arise, applicable Australian legislation and regulatory requirements prevail.

Nothing in this Handbook limits or excludes students' rights under Australian law, including the Education Services for Overseas Students (ESOS) framework.

TIIS reserves the right to amend this Handbook in accordance with applicable legislation, regulatory requirements and institutional approval processes.
